**A Tour Through Holland** John Carr, 2015-07-08 Excerpt from *A Tour Through Holland Along the Right and Left Banks of the Rhine to the South of Germany in the Summer and Autumn of 1806* Instead of listening in the sunshine of vice regal magnificence to the vague reports of the idle the ignorant or the mischievous you penetrated into the wild recesses of that distracted country reputed to contain the hot bed of insurrection you personally contemplated the character of the poor suffering Irish peasant in all its rough but affecting simplicity you beheld a fellow being possessed of affections easily to be won by tenderness of a vivid imagination and quick and ardent susceptibility clothed in rags and living in common with the beast of the field in a state of penury and wretchedness unknown to the miserable and oppressed of any other region To see to feel and to meditate relief were all simultaneous in the mind of your Grace When some partial excesses at length broke out when the violent and the intolerant clamorously demanded the terrible inflictions of military law you firmly wisely and most humanely resolved upon surrendering up the guilty to the laws of their country without delivering over their unoffending vicinage to the savage dominion of the bullet and the bayonet The noble experiment answered and your Grace lost no portion of your popularity in the very spot where dire necessity compelled you to offer up victims to justice Your conduct on that occasion even in the absence of every other laudable event of your life is sufficient to sweeten it to its latest period About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
