Stricken by Sin, Cured by Christ Jesse Couenhoven,2013-08-01 This book is a discussion of responsibility and blame focused and shaped by St Augustine s theology of sin and grace and the controversies that surround those topics It critically appropriates ideas central to an influential and controversial figure and doctrine in conversation with expert readers of Augustine recent philosophical treatments of free will and responsibility and a broad array of theological voices

Moral Choice Dolores L. Christie,2013 This survey text for Christian ethics through a Catholic lens traces the sources and traditions of contemporary ethical principles rules and norms It uses narrative in reaching out to students who seek to understand themselves as they face ethical decisions Stories are employed to reflect one s own life and its meaning as well as to prompt moral decision making The book gives full treatment to criteria needed for ethical decision making that students use in evaluating a series of contemporary issues including abortion end of life torture and others The book includes numerous pedagogic features including boxes questions key terms suggested readings and a glossary Publisher description

Literary World; Choice Readings from the Best New Books, with Critical Reviews ,1888 **Critical Care Ethics** David F. Kelly,2002-06-11 In Critical Care Ethics David F Kelly describes and analyzes some of the major ethical issues facing American hospitals today and proposes practical approaches by which hospitals may ethically and legally resolve them The author includes both theory and application in a way which insures accessibility to those without a background in moral philosophy or moral theology The book s major emphasis is on the resolution within the American hospital of the practical question of forgoing treatment Its central thesis is that a consensus has arisen in American medical ethics concerning the ethical and legal rightness of forgoing medical treatment in some circumstances The present consensus is based on three pillars The first two of these are ethical principles and distinctions arising from Catholic medical ethics which have been generally accepted in American hospital ethics and American law The third is the development of American law itself Together these three bases have resulted in general agreement that Americans have the right to refuse treatment for themselves and that with some reservations they have the right to forgo treatment for others as well These issues are developed in detail including application to the question of medical nutrition and analysis of the decision In addition there are chapters on pain pain management ethics committees and the problems of resource allocation The final chapter attempts to point out some of the difficulties inherent in allocation arguments and criticizes the way in which they are so often made by many ethicists and religious leaders The Essential Guide to Religious Traditions and Spirituality for Health Care Providers Steven Jeffers,Michael E Nelson,Vern Barnet,Michael C Brannigan,2012-12-17 This extraordinary compendium of religious traditions is invaluable to all healthcare providers The user friendly resource contains specific and detailed information on faith traditions vital for providing optimal spiritual care in a clinical setting A series of inspirational introductory chapters promote the importance of spiritual well being as Christian Theology: a Selection of the Most
