literary criticism this is the backbone of literary theory Literature is no longer a mere narration of stories and prudent literary writers know that great literature is based on theoretical frameworks which give their works an edge in the intellectual world In this book *Tintinnabulation of Literary Theory Traversing Genres to Contemporary Experience* Andrew Nyongesa demonstrates how five theoretical frameworks namely Marxism Feminism Postcolonialism Psychoanalysis and Stylistic are applied to genres of literature The last chapter shows how theory has moved away from the lecture hall to real life experience The book is a practical guide to university students and tutors of literature in their undying desire to embrace Literary Criticism
