Free Trade and British Commerce (Classic Reprint) Augustus Mongredien, 2015-07-11 Excerpt from Free Trade and British Commerce This little work which was written in 1879 has enjoyed a wide circulation owing chiefly no doubt to some words of praise from a great orator and to the powerful propagandism of the Cobden Club We are now in 1881 and I have little to add to or to subtract from either the facts or the principles embodied in it I have however carefully revised the present edition and made a few corrections in trifling matters of detail The present position of our trade with the United States of America curiously confirms the doctrines advanced in this little book In August 1879 Mr James Howard the present member for Bedfordshire asked me my opinion as to how the United States had been paid for their large exports to us my reply was as follows 1 The Americans have been buying largely from both England and the Continent of their own Bonds and Stocks and have given prices above the marketable value of them in Europe 2 Normally the United States are exporters of gold they being producers of it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

[JOHN BUCHAN Ultimate Collection: Spy Classics, Thrillers, Adventure Novels & Short Stories, Including Historical Works and Essays \(Illustrated\)](#) John Buchan, 2024-01-11

In the JOHN BUCHAN Ultimate Collection: Spy Classics, Thrillers, Adventure Novels, Short Stories, Including Historical Works and

Essays Illustrated readers are immersed in a compendium of Buchan's most compelling narratives that traverse the realms of espionage and adventure. This anthology is not merely a collection but a literary tapestry woven from the threads of early 20th century concerns such as national identity and imperialism. Buchan's eloquent prose and gripping storytelling style, characterized by vivid descriptions and sharp characterizations, draw the reader into the psyche of his protagonists as they navigate treacherous landscapes both literal and metaphorical, such as in the acclaimed novel *The Thirty Nine Steps*. John Buchan, a Scottish author and statesman, was profoundly influenced by his own experiences, including his time as a war correspondent during World War I and his tenure in politics. His knowledge of geographies and cultures combined with a deep understanding of human nature fueled his narratives that often reflect the anxieties of his era, including the inter-war period's socio-political turbulence. Notably, Buchan's background in law and history imbues his writings with a rich historical context that enhances their depth and authenticity. This comprehensive collection is a must-read for enthusiasts of classic literature, espionage, and adventure. Whether you are familiar with Buchan's work or new to his profound narratives, this illustrated anthology offers insights into both the genre and the historical moment from which it arose. It is an essential addition to any literary library and an engaging journey through the mind of one of the early masters of the spy thriller.
