*A Greater Tradition Seven Studies of Triadically Extended Symmetrical Narratives* Bernard, 2015-12-01 Writers who adopt the structural method reviled in my study produce works so astonishing because of our symmetrical additions that they make almost every other critical effort appear to be the work of someone asleep The symmetrical additions produce brilliant actions that simply make us gape in astonishment and those actions refine their characters to make us almost gasp The effect is an entirely new poem play and novel undreamt of in our philosophies With this I wish you good reading *A Greater Tradition* Fred V. Bernard, 2019-11-20 Mr Fred V Bernard has dedicated his life to the study of literature specifically Elizabethan Literature which has led him to write this book He taught literature for 34 years at Wayne State University The University of Michigan and Aquinas College Writers who adopt the structural method revealed in my study produce works so astonishing because of our symmetrical additions that they make almost every other critical effort appear to be the work of someone asleep The symmetrical additions produce brilliant actions that simply make us gape in astonishment and those actions refine their characters to make us almost gasp The effect is an entirely new poem play and novel undreamt of in our philosophies With this I wish you good reading See what exposes the human soul in Beowulf what opens closed hearts in The Merchant what exposes Horatio as the falsest of false friends what shows Ishmael's voyage as one of unbelievable love what shows James's virtual tunneling his way deep into American atrocities against American blacks and what shows us the atrocities of Irish Priests and Fathers against Irish sons and daughters Find something astonishing upon every page

**Contexts of Pre-novel Narrative** Roy Eriksen, 1994 No detailed description available for Contexts of Pre Novel Narrative *Color + Design* Ron Reed, 2017-01-19 The second edition of Color Design Transforming Interior Space presents color theory in terms of design principles such as balance rhythm emphasis proportion unity and variety This new edition includes an updated art program with expanded coverage of current commercial and residential environments updated insights into how people perceive color including new content about different cultures and ageing populations and updated and expanded pedagogical features and exercises **Robert Saxton: Caritas** Wyndham Thomas, 2017-09-29 Caritas relates the true yet largely undocumented story of Christine Carpenter a 14th century anchoress who moves towards insanity as her desire for a divine revelation continues to be unfulfilled after a period of three years locked in her cell Although physically isolated she is aware of the worldly life and love that she has abandoned The very essence of the drama is the dogmatic refusal of her Bishop to release her from her vows Set against the backcloth of the Peasants Uprising 1381 the libretto play juxtaposes sacred and secular worlds the relative power and servitude of rulers and serfs and the terrifying ordeal of Christine who is caught between the inflexibility of the established church and her personal religious expectations Such a narrative was to offer rich opportunities for musical characterization and evocation of the historical context of the action as well as substantial challenges in pacing and integrating the sequence of dramatic snap shots that culminate in a scene of

total despair The colourful juxtaposition of secular life and that of a recluse in Act One culminates in a Second Act finale of immense dramatic power in which Saxton's vocal and instrumental writing reaches new heights a landmark both in his output and in late 20th century opera Caritas first performed in 1991 occupies an important position in Robert Saxton's output and as Thomas argues in British opera during the closing decades of the 20th century Thomas provides a detailed contextual setting in which to evaluate Caritas as well as presenting an analytical commentary on the structure musical language instrumentation staging and production of the opera Thomas concludes with a reflection on the reception of Caritas as well as looking forward to Saxton's later and future works A CD of the first performance is included

Multicultural and International Approaches in Social Work Practice Kui-Hee Song, 2016-09-26 Building upon the author's integrative and interactive ideas about human services fields this book presents an intercultural perspective of social work education practice and research with culturally linguistically relationally underprivileged minority groups in the local and global communities to show how the synthesis of theories from postmodern social constructionism multiculturalism and international organization empowerment can be applied when working with Asian immigrant families This book also demonstrates how a mutual development model of intercultural organizational institutional collaborative partnership can be relevant when providing an International Experience for Human Services Abroad Course Author Kui Hee Song uses in depth case studies in the culturally linguistic and diverse context of human services fields and in the cross nationally interactive context of host country human services organizations and home university academic administrations Kui Hee Song examines the clinical change process of a Korean immigrant family that is working with Child Protective Services seeking to resolve physical child abuse problems and generate new meanings in parent child relationships through therapeutic conversational dialogue As the new to this edition a case of Ming's story is especially the cultural differences between the Chinese immigrant client family and American medical setting where practitioner's personal beliefs were challenged Kui Hee Song critically examines specific steps to take in establishing intercultural service learning field placements for an experiential learning education abroad course Song explores the significant leadership roles and responsibilities of host country human services organizations and home university administrators involved with making a new international human services experience abroad program planning implementation and evaluation Specially Song provides a profound understanding of the empowerment process of a Korean family a conversational partnership in dialogue that invites the clients to speak their loud hitherto unheard voices and enhance a personal perception of competency for action and hope Song also gives a thoughtful comprehension of a mutual empowerment process of cross national collaborative partners differential responsibilities but mutually shared power vision and goals in working relationship that allows for each collaborator to stand together in unity of transactional and transformational leadership behaviors and strengthens the sustainability of the effective international human services experience abroad program
