Training Sunday School Teachers Officers:

The Training of Sunday School Teachers and Officers Franklin McElfresh, 1914 The Training of Sunday School Teachers and Officers (Classic Reprint) Franklin McElfresh, 2018-01-12 Excerpt from The Training of Sunday School Teachers and Officers The Magnitude of the Demand Three hundred thousand new teachers and officers will be enlisted within the coming year in the ranks of Sunday school workers Many of these are young men and women of education but many more are urged into service with little information or training for the duties before them While many training schools and classes are offered them through the varied agencies denominational and interdenominational yet all of these united fail to meet the need for a trained teaching force Even were all of these new teachers well equipped they are not sufficient for the great work A full half million are needed to meet the responsibilities pressing upon the churches for the religious teaching of childhood and youth Within the last three years there has been an increase of one million in enrollment in North America and even this number could be enlarged by hundreds of thousands if a sufficient number of competent teachers would answer the call of the Church Childhood quickened by all the alertness and About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Sunday School Officers Manual** Frank Llewellyn Brown, 1916 The Training of Sunday School Teachers and Officers Franklin McElfresh, 2023-07-18 McElfresh's practical guide to Sunday School education offers insights and strategies for training teachers and leaders to effectively engage students and promote spiritual growth With its emphasis on active learning and collaboration this book is a valuable resource for anyone involved in religious education This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Orientation Workbook. Sunday-School Success Amos Wells, 2016-07-31 Success is what every earnest consecrated Sunday school teacher and superintendent aim at but to know how to achieve success is not always easy Amos R Wells has written a book that will help the Sunday school worker understand what he needs the most in order to win success In his preface Mr Wells says At different times and under different circumstances there are different things essential for Sunday school success I do not pretend that this book treats all of these It does aim however to discuss the Sunday school needs most commonly felt and to provide practical suggestions regarding them Themes are discussed in the most practical way imaginable and every chapter seems to be packed full of helpful plans for the actual work of the teacher The teacher who reads this book with a desire to be helped will find many ideas that he can put into operation for making the next Sunday s lesson both interesting and fascinating to his class The book is not alone for the teacher but the superintendent and other officers will find help in it as well Into this his latest book he has put his best thought the ripe fruit of his fullest experience and practical methods Herald of Gospel Liberty Amos R Wells needs no introduction to the Sunday school workers either of this country or of Europe The Christian Work and the Evangelist In these forty four chapters many topics are treated for the first time in a book of this kind the working together of the Sunday and the young people s society the problem of the visitor utilizing the late scholar how to make the temperance and missionary lessons attractive the Sunday school and the weather and many other practical matters Much attention is given to the important art of questioning Blackboard work is fully treated Many forms of review are described In fine for we have not space to go over the entire table of contents the Sunday school teacher or officer that has the good fortune to own this volume will find in it thousands of helpful hints following which he can scarcely fail to realize Sunday School Success Record of Christian Work As full of suggestions and inspiration as possible Mr Wells is practical cheerful and encouraging He indorses the use of maps and helps of all kinds after everything has been assimilated that can be got out of the Bible He strikes at weak points in teaching and strengthens strong points A large number of the chapters have appeared in periodicals but in their collection is strengthened effect Sunday School Advocate There is more than a touch of specially American ingenuity in some of the devices for stimulating energy and enterprise which are suggested or have actually been put in practice The book which is written with great clearness supplies perhaps the most remarkable testimony that has yet been borne to the amount of voluntary labor and enthusiasm that has been thrown into Sunday school work The Spectator A good book for Sunday school teachers Written wisely earnestly suggestively and helpfully of the organization methods machinery and spirit of effective Sunday school effort Teaching and training children to live soberly righteously and godly in this present world is second to no work in its importance and may well enlist the deepest interest and most careful study of all The Literary World *The National Teacher-training Institute Text-books: The Sunday-school teacher's school* Hugh Thomas Musselman, 1909 **Hurlbut's Teacher-training Lessons for the Sunday School** Jesse Lyman Hurlbut, 1908 **The Church School Journal** , 1873 **Library of Congress Subject Headings** Library of
