Counter-Terrorism Community Engagement Jason Hartley, 2021-04-19 This book offers insights into the building of trust in Muslim communities through community engagement in a climate of counter terrorism Police engagement with Muslim communities is complex with a history of distrust This book first attempts to understand the role and implications of uncertainty on community engagement in Muslim communities and then explores the cultural nuances associated with the demonstration of trustworthiness and decisions to bestow trust It further highlights the complexities and implications for Muslim leaders when trying to simultaneously engage police and appease their own communities the book exposes community perceptions of an over reaction by authorities that has moved suspicion from a handful of terrorists to the entire Muslim community resulting in problematic community perceptions that Muslim communities are being targeted by police The findings suggest that the intentionality of police is a highly significant consideration in trust negotiations and reveals a number of cultural preferences considered critical to trust negotiations The book further highlights opportunities to enhance the development of trust and avoid pitfalls that can be problematic to community engagement The lessons learned seek to enhance the existing body of literature regarding strategies and

resources to improve counter terrorism community engagement with Muslim communities This book will be of much interest to students of counter terrorism preventing violent extremism deradicalization and security studies

The Role of Islamic Spirituality in the Management and Leadership Process Abdul Mutalib, Mahazan, Rafiki, Ahmad, 2021-05-07 Leaders nowadays need to know learn and apply the concept of qalb leadership where it has been taught by the Prophet Muhammad as well as explained by Islamic scholars The comparison with other mindful leadership concepts is required to provide solutions and options in leadership for better outcomes and spiritual awareness It is found that leadership literature in general is unable to generate an understanding of a leadership concept that is both intellectually compelling and emotionally satisfying As for qalb leadership it focuses on the spirituality of leadership that can aid in facing unpredictable manners and provide better outcomes for followers Research on Islamic leadership and spirituality may pave the way for better leadership practices in the future The Role of Islamic Spirituality in the Management and Leadership Process will elaborate the spirituality and qalb in human life and leadership along with providing a discussion on the role and function of qalb in the overall leadership process Through spirituality human interdependence creativity and social justice can be created and molded This type of leadership enables transformation in a natural way without denying basic human nature and imparts balance to both the outer and inner needs of humans With the discussion of four cardinal virtues of Al Ghazali leaders can solve many problems that emerge in their organizations This book is ideal for managers executives theologians professionals researchers academicians and students who are interested in how Islamic spirituality plays a role in leadership

Crisis in the Muslim Mind AbdulHamid AbuSulayman, 2004-01-01 Across the Muslim world today if anything is self evident across the Muslim world today it is that the Ummah is badly in need of reform On this point it can be stated with confidence that Muslims are agreed Poverty and injustice characterize the face of Muslim lands from the Atlantic to the Pacific Pollution and corruption are the order of the day in the societies where the gulf between them and the developed countries of the world has never been wider Politics in the Muslim world are all too often the politics of deprivation and culture the culture of despair Crisis in the Muslim Mind examines the intellectual and historical roots of the malaise that has encompassed the Ummah and threatens to efface its identity First published in Arabic in 1991 this important work in an abridged English translation is designed to familiarize educated and concerned Muslims with the nature of the crisis confronting them and to suggest the steps necessary to overcome it

Laxity, Moderation and Extremism in Islam B. Aisha Lemu,1993 Although this is a very important issue for us Muslims to address paradoxically it is an issue we seldom address Why is it so important and why do we seldom address it It is important because it affects our relationship with one another as well as with non Muslims and thus the spread of Islam all crucial concerns for the future of the Ummah Why then do we seldom speak about it Because to do so is to run the risk of being abused misunderstood and quoted out of context by people who cannot tolerate any opinion other than their own even if that other opinion has a sound basis in Islamic teachings Brief as it may appear and dealing with such a topical subject this book is quite comprehensive The author shows motives which produce the lax and the extremist types of people Speaking the language of hikmah but making use of cogent arguments she addresses committed Muslim youth with an open mind and suggests wise and efficient solutions to remedy laxity and extremism in society Easy to read brief balanced and enjoyable this book is the first of its category to deal with the burning issues of laxity moderation and extremism It is a must for and a companion to every responsible Muslim involved in da'wah work Even non Muslims can greatly benefit from such illuminating insights on what a true Muslim's attitude should be when fulfilling his obligation of transmitting the Divine message to his fellow human beings Islamica ,1995
