Yoga Of Ghost Hunting:

The Yoga of Ghost Hunting Richard Salva, 2014-04-07 In *The Yoga of Ghost Hunting* discover a new perspective on ghost hunting Touring haunted houses is an exciting pastime but there is so much more to it than that When dealing with the afterlife and metaphysical realities it helps to have the insights of those who have explored those worlds and returned to enlighten us Yoga to the rescue Yoga is much more than physical postures It is an ancient spiritual science that offers answers to many questions related to the supernatural Learn what the yogis have revealed tips and techniques that can help you with your paranormal investigations Let yogi author Richard Salva enlighten you about the hidden yogic secrets that every ghost hunter should know Discover how to Protect yourself psychically Banish spirits Overcome fears of ghosts Connect with helpful spirits Achieve mental clarity and much more From the author's introduction As a daily practitioner for more than thirty years of meditation and the deeper teachings of yoga I have found it curious that even though I have not sought them out I have crossed paths with ghosts and other astral forces In fact when I was asked to lecture on my book *The Reincarnation of Abraham Lincoln* at a paranormal conference a few years ago I realized that I had a lot to say on the subjects of ghosts and ghost hunting It also became clear as I spoke that most of what I was saying was new to my listeners I was presenting a view of ghost hunting that veteran ghost hunters had never heard before In addition I was aware of techniques and concepts that could help ghost hunters achieve greater success in their efforts and avoid some of the pitfalls of their pastime Here then is the essence of what I have shared at ghost hunting conferences along with additional helpful tips and techniques all based on ancient yogic teachings Once we know more about what ghosts are and the world in which they live we can gain a better understanding of what we may experience on a ghost hunt

Demystifying Patanjali: The Yoga Sutras Paramhansa Yogananda, 2013-06-03 What happens as we grow spiritually Is there a step by step process that everyone goes through all spiritual seekers including those of any or no religious persuasion as they gradually work their way upward until they achieve the highest state of Self realization About 2200 years ago a great spiritual master of India named Patanjali described this process and presented humanity with a clear cut step by step outline of how all truth seekers and saints achieve divine union He called this universal inner experience and process yoga or union His collection of profound aphorisms a true world scripture has been dubbed Patanjali's Yoga Sutras Unfortunately since that time many scholarly translators with little or no spiritual realization have written commentaries on Patanjali's writings that have succeeded only in burying his pithy insights in convoluted phrases like becomes assimilated with transformations and the object alone shines without deliberation How can any reader understand Patanjali's original meaning when he or she has to wade through such bewildering terminology Thankfully a great modern yoga master Paramhansa Yogananda author of the classic *Autobiography of a Yogi* has cut through the scholarly debris and resurrected Patanjali's original teachings and revelations Now in *Demystifying Patanjali* Swami Kriyananda a direct disciple of Yogananda shares his guru's crystal clear and easy to grasp

explanations of Patanjali's aphorisms As Kriyananda writes in his introduction My Guru personally shared with me some of his most important insights into these sutras During the three and a half years I lived with him he also went with me at great length into the basic teachings of yoga I was able moreover to ask my Guru personally about many of the subjects covered by Patanjali His explanations have lingered with me and have been a priceless help in the writing of this book *Gurus of Modern Yoga* Mark Singleton, Ellen Goldberg, 2014 *Gurus of Modern Yoga* explores the contributions that individual gurus have made to the formation of the practices and discourses of yoga in today's world **Ghost Hunting For The Beginner** Ken Russell, 2014-11-12 The idea of ghosts existing is hard for most people to believe but there is an accumulation of evidence in that appears to prove otherwise Until one is actually involved in investigating the subject an opinion cannot truly be formed one way or the other The author who has spent years of studying and investigating the paranormal has written this book to help those who want to prove that there are ghosts in existence or even to prove that they do not exist With years of expertise in the subject he keeps an open mind when confronted with any potentially paranormal phenomena and checks everything very carefully before coming to a conclusion With the help of this book the paranormal investigator will be able to take steps to discover if there is a ghost haunting a location who they were in life and why they're haunting that location now and perhaps provide sufficient evidence to prove the ghost's existence or that any phenomena experienced have a natural explanation **Ghost-Hunting For Dummies** Zak Bagans, 2020-05-21 Dive into the ghostly world of the supernatural with America's leading paranormal investigator Inside paranormal investigator star and executive producer of The Travel Channel's hit series Ghost Adventures and founder of the award winning Haunted Museum Las Vegas most popular attraction Zak Bagans takes readers on an exciting journey into the supernatural world With insider information on the history of ghost hunting to learning about ghosts with all kinds of temperaments Ghost Hunting For Dummies is peppered with true accounts and stories from Bagans famous cases and investigations Featuring expert advice on picking a haunted location setting up cameras and dealing with unwieldy ghosts this book shows how today's investigators use the tools of modern science to study a wide range of paranormal activity Take an exciting adventure into the supernatural world Explore haunted sites Get messages from beyond the grave Read true accounts from famous cases and investigations If you're one of the countless fans of Ghost Adventures itching to get off the couch and track some spirits on your own this book provides everything you need to know to conduct a successful paranormal investigation *The Hidden Teaching Beyond Yoga* Paul Brunton, 2015-05-05 Inspired by his time spent with wise sages in Asia in the 1930s Paul Brunton 1898-1981 wrote The Hidden Teaching Beyond Yoga and its companion volume The Wisdom of the Overself at the request of these remarkable teachers who recognized that he had a significant role to play in the transmission of Hindu Vedanta and Buddhism to the West Brunton's books are a profound re-creation of the teachings of those two philosophical schools of thought informed by the insights of deep meditation Clearly written without the specialized vocabulary found in those traditions the books speak

directly to the contemporary spiritual seeker The Hidden Teaching Beyond Yoga is a step by step guide to actually experiencing the spiritual truth that reality is formed within our consciousness rather than outside us in the world of material things Brunton s expert analysis of perception grounded in science is designed to awaken us to our sacred foundation and to transform our personality into a mirror of that reality Brunton prepares us for this journey by describing the attitudes mental disciplines and character traits that are beneficial for success in this quest This new edition has been updated to incorporate the author s final revisions and includes an introduction by the Paul Brunton Philosophic Foundation Contents Foreword by The Paul Brunton Philosophic Foundation 1 Beyond Yoga 2 The Ultimate Path 3 The Religious and Mystic Grades 4 The Hidden Philosophy of India 5 The Philosophical Discipline 6 The Worship of Words 7 The Search After Truth 8 The Revelation of Relativity 9 From Thing to Thought 10 The Secret of Space and Time 11 The Magic of the Mind 12 The Downfall of Materialism Epilogue The Philosophic Life Appendix 1 Some Misconceptions Cleared Up Appendix 2 Additional Resources from The Notebooks of Paul Brunton Compiled by the Paul Brunton Philosophic Foundation Editors
