Yosemite in the Fifties Dean Fidelman, John Long, Tom Alder, 2015 Companion to the classic Yosemite in the Sixties this book uses the words of the climbers of the time and artfully restored photographs to chronicle the historic first ascents of Yosemite's mile high granite walls the legendary personalities who risked their lives to climb them and how their endeavors initiated the birth of adventure sports Better than half a century after the first ascent of El Capitan the deeds of Yosemite's 1950s era Iron Age are no longer viewed as climbs or mere adventures Rather they are assaults on the human barrier pushing that much higher Yosemite in the Fifties gives the stage almost entirely over to the original source material the first person narratives archive photos artfully restored and memorabilia particular to the seminal ascents of the era These words images and design when cast from critical angles all reach across generations to resurrect vanished worlds Yosemite in The Fifties is fashioned not so much as a book but as a wormhole back to an enchanted time in the history of exploration and a classic era of Americana now lost in time *Stories from the Dirt* John Long, 2017-09-01 Riding tubes in Venezuela BASE jumping in Europe Climbing big walls in Yosemite Riding bulls in Texas These first person stories from acclaimed climber and adventurer John Long may be vastly different in content but they share an identifiable emotional texture tone and delivery and fundamentally are of one piece This is storytelling at its best nonfiction that reads like fiction In *Stories from the Dirt* the action leaves you breathless but it's the characters that really leave a lasting mark Like all stories worth a damn this collection is all about the people The Timberman, 1919 American Illustrated Magazine, 1929 American Magazine, 1929 Journal of Education, 1881 New York Magazine, 1997-06-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine**, 1997-06-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Art Books**, 1981 Including an international directory of museum permanent collection catalogs *Art Books, 1876-1949* R.R.
