Williamson,2019-02-15 It has been said that when the student is ready the teacher will appear Most often the answers we seek are inside each of us but it often takes someone else to show us the direction in which to proceed This book helps the reader create their own personalized roadmap to success It only takes a few weeks to cultivate a good habit and it has been said that we first make our habits and then our habits make us Just as millions of other Napoleon Hill readers have done for nearly one hundred years the message you are to receive if you are ready to receive it is that there is a roadmap to success You too can attain the success in life most people only dream of attaining But first you must study and then follow in the footsteps of those who have achieved their goals This book starts you on the process of planting an idea nurturing the idea and then harvesting your own victory garden *The Temple of My Wisdom* Hadassadajah C. Akusani,2017-08-30 This book

can be considered non traditional in that it looks at religion and religious teachings from an entirely different point of view of most religious information flooding today s literary market It speaks in defense of a truly EXPANSIVE nature of what we affectionately call God which is PURE CONSCIOUSNESS It is designed to give the reader hope in a sometimes hopeless world by encouraging the turning of one s attention away from the divine mysteries taught in composite religion where any semblance of hope lies only in the hereafter to the marvelous study and grandeur of the universe itself and the universal laws put in place for our elevation to a higher station in life It regales the importance of the SIXTH SENSE which is critical to understand the workings of this marvelous gift of a MIND endowed to us by an awesome Creator as opposed to a largely depressing religious outlook which has shaped the world view of many Indeed our INTUITION has the capability of revealing to one s higher mind the wonders of our marvelous mind and its sixth sense capabilities if we but put it to use It regales us of the riches that await us here in THIS LIFE not in some sweet bye and bye after we die Reality is what gives true hope as opposed to a fantasy belief that can never truly be beheld Napoleon Hill's Power of Positive Action Napoleon

Hill,2017-02-21 Those who enjoy the power of positive action accomplish more have less stress live with fewer regrets become more self disciplined and demonstrate personal persistence These qualities contribute to making our unique world a better place to live We improve the world by simply taking positive action If you decide to take positive action you will begin to reap the benefits immediately You will begin to decree to your subconscious mind that you are an action oriented person who accepts no excuses Napoleon Hill s Power of Positive Action will provide you with tools to help you Adopt a positive attitude Achieve better physical health Find harmony in relationships Gain freedom from fear See hope for the future Acquire the capacity for faith Grow a desire to share Keep an open mind Achieve self discipline By following the steps outlined in this book you become the scriptwriter for your life s story and the creator of your own advancement and success Read this book and take positive action today **Legends & Lore of Southwest Virginia** Shane S.
