Tithing Up Close And Personal:

Tithing Linda Beavert, 2015-05-06 Tithing Up Close and Personal is about the author's ten year journey after she committed to faithfully and consistently tithe. While this is not a how to or self help book, the author lets us see inside her heart and mind as she made decisions along the way through everyday situations. The changes in her life as she went through the process have brought her from the time of bill collector calls, overdue bills, and the stress of not having enough money to a result of peace and comfort in her daily life and having enough money to meet her needs and to give more to others. Retired people often live on a fixed income. Since she started tithing, God is stretching her income and it is not fixed. Just Money Wayne Kirkland, 2012-08-01 Money. Such a little word with such explosive power. For love of money, reputations have been ruined, marriages have been destroyed, lifelong friendships have been torn apart, whole nations have bled. For lack of money, kingdoms have crumbled, corporations have foundered, lives have faded, dreams have died. But what about us ordinary folk? Most of us spend more time thinking about money, worrying, planning, earning, spending, counting, hoping, envying than about almost any other subject. So what's money got to do with following Jesus? A great deal, actually. Money is no side issue in the Bible. It's talked about extensively. Just Money offers both insights and suggestions as to how we can live a life of faith in a culture in love with the dollar. Be prepared for some surprises. **All Our Children** Lallie B.
