John,2016-10-13 Inspired by the words of the prophet Michah to act justly love tenderly and walk humbly before God the author describes how we realize our vocation to holiness as it is expressed throughout the various stages of life *Dancing in the Dark, Revised Edition* Graham Buxton,2016-11-08 Christians are often tempted to encapsulate God in their own little boxes as if God could be tied down to our finite way of thinking But we can neither domesticate nor fully understand God for theology has a lot to do with coming to terms with the mystery of God This revised edition of *Dancing in the Dark* shaped as in the first edition by the two overarching themes of God as Trinity and a theology of participation embraces the notion of mystery in presenting a compelling vision of seeing all things finally united within the inner life of God As we engage in Christian ministry we are summoned to participate as grace filled faith communities in the triune God's immeasurably loving and healing work in the world leading those who are in darkness into an awareness of the God who imparts life in all its glorious abundance that which is so and a journey into the mystery of that which is to come The liberating ministry of the gospel is both a declaration and an invitation an invitation to the dance **An Uncertain Certainty** Graham

Buxton,2015-03-26 Many people in Christian ministry are tired of simplistic certainties what they need is permission to live with uncertainty with mystery ambiguity and paradox Because we live in a world that is far removed from the modernist version of reality with its rational clinical and superficial presentation of life we need the courage and wisdom to embrace the presence of uncertainties in the midst of certainty In this book the author offers snapshots of a number of central Christian topics God the gospel the church salvation ministry inviting us to treat them as features of a landscape to explore rather than a set of propositional statements to sign up to Each chapter short enough to provoke interest and curiosity will be a catalyst for deeper reflection and enquiry inviting us to discover a new freedom in ministry as we embrace a more generous both and perspective in place of a more narrow either or interpretation of the Christian faith In the process we may find ourselves rediscovering the Life we have lost in living as we imaginatively participate in the life ministry and mystery of the triune God of grace in our midst **Courage and Conviction** Anthony J. Gittins,2018-01-15 Today many Christians concerned and

challenged by contemporary trends in society and religion are bewildered and perhaps tempted to leave the Church and manage on their own *Courage and Conviction* is addressed to discerning adult Christians who seek something between high theology and pious platitudes Ranging from consideration of Christian identity via the challenge of faith filled living in a world of diversity to suggestions for mature discipleship today these reflections building on Scripture studies cultural
