burglaries lies the abandonment of America's allies and even murder. Reeves portrays a man of vision and iron will who created, used and was used by a small cast of hard ambitious men who formed a poisonous circle around their insecure leader. Alone, Nixon challenged and changed the world's political and military balance while also plotting to destroy both the Democratic and Republican parties in an attempt to create secretly a new party of the centre. This account of Nixon's stewardship will stand as the balanced authoritative portrait of an astonishing president and his ruined presidency.
