To The Bitter End Dan And Chloe 3:

To the Bitter End Nathan Flamank,2015-07-27 From the best selling author of IN AMONGST THE SHADOWS and ESTELLE comes the third and final installment of Dan and Chloe s story Hold on for one Hell of an erotically charged thriller EACH WILL STAND OR ALL SHALL FALL Dan and Chloe Constantine have been to hell and back on more than one occasion Violence and death Is nothing new to them but now everything has changed Dan and Chloe must prevent a war and unless they are able to stop it from ever happening it is a war that will spell the end for mankind As the bodies mount up behind them Dan and Chloe move ever closer to a final confrontation a confrontation that could spell not only the end of mankind but the end of everything everywhere Dan and Chloe with a little help from some friends will see their task complete all the way right TO THE BITTER END TO THE BITTER END is the BLISTERING CONCLUSION to RAGE AGAINST THE MACHINE ON DEADLY GROUND

The Liberation of the Camps Dan Stone,2015-01-01 A moving deeply researched account of survivors experiences of liberation from Nazi death camps and the long difficult years that followed Seventy years have passed since the tortured inmates of Hitler s concentration and extermination camps were liberated When the horror of the atrocities came fully to light it was easy for others to imagine the joyful relief of freed prisoners Yet for those who had survived the unimaginable the experience of liberation was a slow grueling journey back to life In this unprecedented inquiry into the days months and years following the arrival of Allied forces at the Nazi camps a foremost historian of the Holocaust draws on archival sources and especially on eyewitness testimonies to reveal the complex challenges liberated victims faced and the daunting tasks their liberators undertook to help them reclaim their shattered lives Historian Dan Stone focuses on the survivors their feelings of guilt exhaustion fear shame for having survived and devastating grief for lost family members their immense medical problems and their later demands to be released from Displaced Persons camps and resettled in countries of their own choosing Stone also tracks the efforts of British American Canadian and Russian liberators as they contended with survivors immediate needs then grappled with longer term issues that shaped the postwar world and ushered in the first chill of the Cold War years ahead
