

Tocqueville in Arabia Dilemmas in a Democratic Age 1st Edition Joshua Mitchell

Tocqueville In Arabia Dilemmas In A Democratic Age

Seymour Drescher

Tocqueville In Arabia Dilemmas In A Democratic Age:

Tocqueville in Arabia Joshua Mitchell, 2013-08-27 We live in the democratic age So wrote Alexis de Tocqueville in 1835 in his magisterial work *Democracy in America* This did not mean as so many have believed after the fall of the Berlin Wall in 1989 that the political apparatus of democracy would sweep the world Rather Tocqueville meant that as each nation left behind the vestiges of its aristocracy life for its citizens or subjects would be increasingly isolated and lonely In America more than a half century of scholarship has explored and chronicled our growing isolation and loneliness What of the Middle East Does Tocqueville prediction confirmed already by the American experience hold true there as well Americans look to the Middle East and see a rich network of familial and tribal linkages that seem to suggest that Tocqueville's analysis does not apply A closer look reveals that this is not true In the Middle East today citizens and subjects live amidst a profound tension familial and tribal linkages hold them fast and at the same time rapid modernization has left them as isolated and lonely as so many Americans are today The looming question anticipated so long ago by Tocqueville is how they will respond to this isolation and loneliness Joshua Mitchell has spent years teaching Tocqueville's classic account *Democracy in America* in America and the Arab Gulf and with *Tocqueville in Arabia* he offers a profound account of how the crisis of isolation and loneliness is playing out in similar and in different ways in America and in the Middle East While American students tend to value individualism and commercial self interest Middle Eastern students have grave doubts about individualism and a deep suspicion about capitalism which they believe risks the destruction of long held loyalties and obligations Where American students in their more reflective moments long for more durable links than they currently have the bonds that constrain the freedoms Middle Eastern students imagine the modern world offers at once frighten them and enkindle their imagination When pondering suffering American students tend to believe its causes can be engineered away through better education and the advances of science Middle Eastern students tend still to offer religious accounts but are also enticed by the answers Americans give and wonder if the two accounts can coexist at all Moving back and forth between self understandings in America and in the Middle East Mitchell offers a framework for understanding the common challenges in both regions and highlights the great temptation both will have to overcome rejecting the seeming incoherence of the democratic age and opting for one or another scheme to re enchant the world Whether these schemes take the form of various purported Islamic movements in the Middle East or the form of enchanted nationalism in American and in Europe the remedy sought will not cure the ailment of the democratic age About this Mitchell comes to the defense Tocqueville long ago offered the dilemmas of the democratic age can be courageously endured but they cannot be resolved We live in a time rife with mutual misunderstandings between America and the Middle East *Tocqueville in Arabia* offers a guide to the present troubled times leavened by the author's hopes about the future [Insight Turkey 2015 - Spring 2015 \(Vol. 17, No. 2\)](#) , Energy security at the heart of energy policy has become central to the dynamics of international relations Political turmoil has overwhelmed

many oil and gas producing countries forcing them to adapt their national energy policies according to this continuous change Specifically because of the wars and instability in the Middle East and the Ukrainian crisis global energy security is no longer guaranteed One of the foremost experts on the energy industry Daniel Yergin identifies energy security as the availability of sufficient supplies at affordable prices He also comments that every country interprets the definition of energy security with its own dynamics In practice the definition of energy security is polysemic and the topic of energy security is being explored daily under the lens of numerous new studies by scholars energy experts government officials activists and journalists

The Cambridge Companion to Democracy in America Richard Boyd,2022-03-24 This collection of essays is an invaluable companion for understanding the composition reception and contemporary legacy of Alexis de Tocqueville s classic work Democracy in America Chapters by political theorists intellectual historians economists political scientists and community organizers explore the major intellectual influences on Tocqueville s thought the book s reception in its own day and by subsequent political thinkers and its enduring relevance for some of today s most pressing issues Chapters tackle Tocqueville s insights into liberal democracy civil society and civic engagement social reform religion and politics free markets constitutional interpretation the history of slavery and race relations gender literature and foreign policy The many ways in which Tocqueville s ideas have been taken up sometimes at cross purposes by subsequent thinkers and political actors around the world are also examined This volume demonstrates the enduring global significance of one of the most perceptive accounts ever written about American democracy and the future prospects for self government

Why We Are Restless Benjamin Storey,Jenna Silber Storey,2021-04-06 A compelling exploration of how our pursuit of happiness makes us unhappy We live in an age of unprecedented prosperity yet everywhere we see signs that our pursuit of happiness has proven fruitless Dissatisfied we seek change for the sake of change even if it means undermining the foundations of our common life In Why We Are Restless Benjamin and Jenna Storey offer a profound and beautiful reflection on the roots of this malaise and examine how we might begin to cure ourselves Drawing on the insights of Montaigne Pascal Rousseau and Tocqueville Why We Are Restless explores the modern vision of happiness that leads us on and the disquiet that follows it like a lengthening shadow In the sixteenth century Montaigne articulated an original vision of human life that inspired people to see themselves as individuals dedicated to seeking contentment in the here and now but Pascal argued that we cannot find happiness through pleasant self seeking only anguished God seeking Rousseau later tried and failed to rescue Montaigne s worldliness from Pascal s attack Steeped in these debates Tocqueville visited the United States in 1831 and observing a people restless in the midst of their well being discovered what happens when an entire nation seeks worldly contentment and finds mostly discontent Arguing that the philosophy we have inherited despite pretending to let us live as we please produces remarkably homogenous and unhappy lives Why We Are Restless makes the case that finding true contentment requires rethinking our most basic assumptions about happiness

Encounters with Islam Lawrence Rosen,2023-09-14 Too often Western

encounters with the Islamic world commence with stereotypes and end with a renewed distance Drawing from decades of experience studying the Muslim world Lawrence Rosen challenges these narrow understandings Adopting an interdisciplinary approach Rosen shows the wide ranging significance of Muslim art culture and law around the world Exploring political economic and social encounters within and with the Muslim world across the eras he considers a wide range of contexts from fifteenth century mosaics in Central Asia that reveal a complex understanding of mathematics to the political choices available to the youth of modern day Morocco and Cairo With in depth analyses of art law and religion and how they informed one another Rosen develops a vibrant nuanced portrait of the Islamic world Drawing linkages across time regions and cultures this is a significant anthropological study of the Islamic world from a seasoned scholar Tocqueville in Arabia Joshua Mitchell,2023-03-07 We live in the democratic age So wrote Alexis de Tocqueville in 1835 in his magisterial work *Democracy in America* Tocqueville thought this meant that as each nation left behind the vestiges of its aristocracy life for its citizens or subjects would be increasingly isolated and lonely In America we know of our growing isolation and loneliness What of the Middle East In the Middle East today citizens and subjects live amid a profound tension Familial and tribal linkages hold them fast and at the same time rapid modernization has left them as isolated and lonely as so many Americans are today The looming question anticipated so long ago by Tocqueville is how they will respond to this isolation and loneliness Joshua Mitchell has spent years teaching Tocqueville s social theory in America and the Arab Gulf and with *Tocqueville in Arabia* he offers a profound account of how the crisis of isolation and loneliness is playing out in similar and in different ways in America and in the Middle East We live in a time rife with mutual misunderstandings between America and the Middle East Tocqueville in Arabia offers a guide to the present troubled times leavened by the author s hopes about the future

Polis, Nation, Global Community Ann Ward,2021-08-12 This book examines the basic tenets of nation nationalism and citizenship It explores the relevance of the nation state to human freedom and flourishing as well as the concept of citizenship that it implies in contrast to that of the ancient polis and the global community The volume focusses on the shifting notions of various political concepts over time to present a systematic understanding of core concepts such as polis nation and state from antiquity to the present It includes contributions that analyze ancient and modern thought and sections that address postmodern and contemporary thinkers including Aristotle Cicero Hobbes Locke Rousseau Tocqueville Nietzsche Arendt Weil Grant and Manent A comprehensive handbook to introductory politics this book will be invaluable to students and teachers of political science especially political theory political philosophy democracy political participation and international relations theory *Democracy in America* Alexis de Tocqueville,1899 *Letters, Liberty, and the Democratic Age in the Thought of Alexis de Tocqueville* Natalie Janet Elliot,2009

Tocqueville and the Alterations of Revealed Religion in the Democratic Age Michael P. LaChimia,2019 **Sociological Abstracts** ,2001 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences

The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers

Dilemmas of Democracy

Seymour Drescher,2010-11-23 Alexis de Tocqueville has been extensively chronicled as a pioneer sociologist and political philosopher of democracy during the early nineteenth century However his writings on the problems of social and economic transitions to an industrial society have been largely overlooked In this book Seymour Drescher presents a thorough analysis of Tocqueville s concern for the lower classes of society viewing his thoughts on slavery poverty criminality and working class conditions and their place in an evolving egalitarian society

Democracy in America (Abridged) Alexis de Tocqueville,Sanford Kessler,Stephen D. Grant,1956 This new abridged translation of Democracy in America reflects the rich Tocqueville scholarship of the past forty years and restores chapters central to Tocqueville s analysis absent from previous abridgments including his discussions of enlightened self interest and the public s influence on ethical standards Judicious notes and a thoughtful Introduction offer aids to the understanding of a masterpiece of nineteenth century social thought that continues in our own day to illuminate debates about the roles of liberty and equality in American life

Democracy in America - Volume 2 Alexis de Tocqueville,2022-05-10 In the book Tocqueville examines the democratic revolution that he believed had been occurring over the previous several hundred years In 1831 Alexis de Tocqueville and Gustave de Beaumont were sent by the French government to study the American prison system In his later letters Tocqueville indicates that he and Beaumont used their official business as a pretext to study American society instead They arrived in New York City in May of that year and spent nine months traveling the United States studying the prisons and collecting information on American society including its religious political and economic character The two also briefly visited Canada spending a few days in the summer of 1831 in what was then Lower Canada modern day Quebec and Upper Canada modern day Ontario

Tocqueville's Dilemmas, and Ours Ewa Atanassow,2022-10-18 How Tocqueville s ideas can help us build resilient liberal democracies in a divided world How can today s liberal democracies withstand the illiberal wave sweeping the globe What can revive our waning faith in constitutional democracy Tocqueville s Dilemmas and Ours argues that Alexis de Tocqueville one of democracy s greatest champions and most incisive critics can guide us forward Drawing on Tocqueville s major works and lesser known policy writings Ewa Atanassow shines a bright light on the foundations of liberal democracy She argues that its prospects depend on how we tackle three dilemmas that were as urgent in Tocqueville s day as they are in ours how to institutionalize popular sovereignty how to define nationhood and how to grasp the possibility and limits of global governance These are pivotal but often neglected dimensions of Tocqueville s work and this fresh look at his writings provides a powerful framework for addressing the tensions between liberalism and democracy in the twenty first century Recovering a richer liberalism capable of weathering today s political storms Tocqueville s Dilemmas and Ours explains how we can reclaim nationalism as a liberal force and reimagine sovereignty in a global age and do so with one of democracy s

most discerning thinkers as our guide *Tocqueville and the Frontiers of Democracy* Richard Boyd, Ewa Atanassow, 2013-03-29 This collection of essays uses Alexis de Tocqueville's writings to explore the dilemmas of democratization in the twenty first century *Democracy in America* Alexis de Tocqueville, 1899 Tocqueville James T. Schleifer, 2018-10-22 Alexis de Tocqueville a French aristocrat paradoxically famous for his insights into democracy and equality is one of history's greatest analysts of American society and politics His contributions to political theory and sociology are of enduring significance This book from one of the world's leading experts is a clearly written and accessible introduction to Tocqueville's social and political theories Schleifer guides readers through his two major works *Democracy in America* 1835-40 and *The Old Regime and the Revolution* 1856 as well as his working papers correspondence and other writings Schleifer examines Tocqueville's essential themes and explores the various meanings of his key terms including equality democracy liberty and revolution He combines a skillful exposition of Tocqueville's analysis of the beneficial and harmful consequences of democracy with a crystal clear discussion of his often overlooked economic ideas and social reform proposals Schleifer traces both the overall unity and the significant changes in Tocqueville's ideas demonstrating the complexity and subtlety of his thought and the importance of his legacy It will be essential reading for all scholars students and general readers interested in the history of political thought political theory American politics and sociology Alexis de Tocqueville and the New Science of Politics John C. Koritansky, 1986 **Tocqueville and the Frontiers of Democracy** Ewa Atanassow, Richard Boyd, 2013 This collection of essays uses Alexis de Tocqueville's writings as a jumping off point to explore the dilemmas of democratization in the twenty first century
