Tokens of Trust Rowan Williams, 2010-09-01 What does it mean to believe in God Can God possibly be almighty in the midst of so much evil and disaster How am I to understand the meaning of Jesus Christ's ministry and resurrection To what purpose is the church called And what does it really mean to follow Christ in today's broken world Tying together the answers to all of these questions and addressing perplexities such as the possibility of miracles and how to read the Bible Rowan Williams demonstrates that each of the basic tenets of Christian faith flows from one fundamental belief that God is completely worthy of our trust With vast knowledge of Christian history and theology and characteristically elegant prose Rowan Williams is a superb and compassionate guide through the richness and depth of Christian faith *Rooted and*

On the Way James J. Rawls, 2018-05-29 On the Way is a book of reflections on one man's journey of faith Its origins lie in the universal longing of humankind for something beyond ourselves for something once present that has diminished with the passing of time This presence now is sensed only fleetingly yet the longing persists The title of the book has a double meaning On the Way refers to the journey of faith our lifelong pilgrimage from God and to God But it also points to the one who leads us on this journey the one who says I am the way and the truth and the life On the Way is a collection of one hundred devotional readings reminiscent of Spurgeon's classic Morning and Evening Daily Readings and the Benedictine Lectio Divina It is intended to stir within the reader some forward movement in their own journey of faith What people are saying about On the Way James J Rawls draws on wisdom from across the ages Here he shares his ongoing conversation with these many voices within the framework of a deep personal and practical faith This book is a great gift and blessing The Rt Rev Barry L Beisner VII Bishop of the Episcopal Diocese of Northern California This is a wonderful book beautifully written insightful and filled with wisdom and warmth Gil Bailie founder of The Cornerstone Forum and author of God's Gamble The Gravitational Power of Crucified Love 2016 James Rawls has a capacity for clarity of thought and graceful articulation that the reader will find fully present in these meditations Savor consume and digest them Repeat again and
