empowerment later in life How do women clergy affect levels of congregational attendance and engagement among members What explains the persistent gender gap in America s clergy Knoll and Bolin find that female clergy do indeed matter but not always in the ways that might be expected They show for example that while female clergy have important effects on women in the pews they have stronger effects on theological and political liberals Throughout this book Knoll and Bolin discuss how the persistent gender gap in the wider economic social and political spheres will likely continue so long as women are underrepresented in America s pulpits Accessible to scholars and general readers alike *She Preached the Word* is a timely and important contribution to our understanding of the intersection of gender religion and politics in contemporary American society Who's Who in America Marquis Who's Who, Inc,2002 **Generation Citizen** Scott Warren,2019-03-05 Required reading Josh Tickell author of *The Revolution Generation* Since its beginnings in 2009 Generation Citizen has grown to become one of the preeminent civics education organizations in America Championing the activism of young people now and throughout history from the civil rights movement to BlackLivesMatter and the Parkland students Generation Citizen is a bold reminder of the positive power of politics and an inspiring actionable guide for anyone ready to fight for democracy Timely and accessible The rising generation is ready to exercise power and save our republic Eric Liu CEO of Citizen University and author of *You re More Powerful Than You Think*
