Schmit, 2002-01-01 Exploring fundamental ways in which verbal expression in worship relates to aesthetic expression Clayton Schmit provides a vitally important book for all homiletics students and scholars Schmit explains that worship isn't just a sequence of holy words and he reflects theologically on the relationship between verbal and aesthetic expression demonstrating the aesthetic significance of verbal liturgical expression and the aesthetic responsibility of those who preach pray and lead in public worship

Sermons That Sing Noel A. Snyder, 2021-08-17 Preaching and music are both regular elements of Christian worship yet they often don't interact or inform each other in meaningful ways Theologian pastor and musician Noel A. Snyder considers how preaching that seeks to engage hearts and minds might be helpfully informed by musical theory so that preachers might craft sermons that sing

Worship That Changes Lives Alexis D. Abernethy, 2008-12 Compiles cultural theological and psychological perspectives on spiritual experience in worship from scholars and laity paying particular attention to the role of the arts in facilitating spiritual transformation

The Preacher as Liturgical Artist Trygve David Johnson, 2014-01-24 Trygve Johnson invites us to consider a new metaphor of identity of The Preacher as Liturgical Artist This identity draws on a theology of communion and the doctrine of the vicarious humanity of Christ to relocate the preacher's identity in the creative and ongoing ministry of Jesus Christ Johnson argues the metaphorical association of the preacher and artist understood within the artistic ministry of Jesus Christ frees the full range of human capacities including the imagination to bear upon the arts of Christian proclamation The Preacher as Liturgical Artist connects preachers to the person and work of Jesus Christ whose own double ministry took the raw materials of the human condition and offered them back to the Father in a redemptive and imaginative fashion through the Holy Spirit It is in the large creative ministry of Jesus Christ that preachers find their creativity freed to proclaim the gospel bodily within the context of the liturgical work of God's people

The Serious Business of Worship Melanie Ross, Simon Jones, 2010-03-17 The study of liturgy has received criticism from scholars and practitioners alike the academic discipline of liturgiology has been compared to the hobby of stamp collection and proponents for liturgical renewal argue that worship must be made more accessible and relevant Bryan Spinks has been an important moderating voice in this discussion reminding both academic and ecclesial communities that Christ is made known in the liturgical riches of the past as well as in contemporary forms of the present Inspired by Spinks work this volume brings together biblical historical and theological scholars to discuss the theme of continuity and change in worship Its historical range begins with the early church extends through the Reformation and concludes with a discussion of issues facing contemporary liturgical reform In recognition of the fact that Professor Spinks work has been widely influential in both Europe and the United States the editors have solicited liturgical perspectives from scholars with international reputations on sides of the Atlantic

Stark, 2022-10-10 The Old Testament is transformed from problem to ally when preachers attend to power at work in ancient and modern contexts by mirroring Second Isaiah's proclamation listening to contemporary servant Israel and learning from African American preaching in context of domination This book analyses the impact of domination on Old Testament proclamation and thus leads to several unique contributions Firstly it reads Second Isaiah as a homiletic model for proclaiming older pre exilic texts in response to exilic domination Secondly it treats the Old Testament as a rich resource for confronting racism and anti-Semitism through teaching and it introduces contemporary Christian Jewish dialogue in Germany as a model for the Church Lastly it highlights preaching traditions within the African American Church as instructive for formulating an effective Old Testament preaching strategy **The Divine Voice** Stephen H.
