

Toshiba Tecra User Manual

Hussin A.Rothana

Toshiba Tecra User Manual:

How We Write Mike Sharples, 2002-11-01 *How We Write* is an accessible guide to the entire writing process from forming ideas to formatting text. Combining new explanations of creativity with insights into writing as design, it offers a full account of the mental, physical, and social aspects of writing. *How We Write* explores how children learn to write, the importance of reflective thinking, processes of planning, composing, and revising, visual design of text, cultural influences on writing, global hypertext, and the future of collaborative and on-line writing. By referring to a wealth of examples from writers such as Umberto Eco, Terry Pratchett, and Ian Fleming, *How We Write* ultimately teaches us how to control and extend our own writing abilities. *How We Write* will be of value to students and teachers of language and psychology, professional and aspiring writers, and anyone interested in this familiar yet complex activity. **InfoWorld**, 1998-11-09 *InfoWorld* is targeted to Senior IT professionals.
