Precious Perversions Tison Pugh,2016-03-21 The tragic sentiment of Southern literature and its heteronormative perspective are foundational attributes generally accepted by both popular and scholarly audiences Yet a pantheon of great authors ranging from like Tennessee Williams Carson McCullers and Truman Capote to present day voices of Alice Walker

John Waters and David Sedaris collectively attest to both the vibrancy of queer experience and the prevalence of humor found in this rich regional cannon In *Precious Perversions Humor Homosexuality and the Southern Literary Canon* Tison Pugh challenges the premises that elevate William Faulkner and diminish Florence King that esteem Walker Percy yet marginalize David Sedaris by arguing for the inclusion of gay comic authors as long standing defining voices in the field By redefining the tenets of Southern literature Pugh reveals long overlooked or discounted aspects of gay humor within the South s literary realm Noting for example that Tennessee Williams is revered as a dramatist who probes the heart of the human condition rather than for his submerged camp humor and Truman Capote s comic cinema and literature never eclipsed serious works Pugh establishes a history of mainstream and academic critique that ignored queer humor Likewise Florence King and Rita Mae Brown wrote defining narratives of Southern lesbian experience in respectively *Confessions of a Failed Southern Lady* and *Rubyfruit Jungle* yet according to Pugh they are almost entirely neglected in accounts of the literary South More recently the author shows the critical reception of Dorothy Allison s *Bastard Out of Carolina* testifies to an overarching interest in the traumatic aspects of her poetry and fiction rather than in her humor and its cathartic power Pugh also asserts that David Sedaris as a writer of the post Southern South who appears to fall beyond the parameters of regional literature for many readers creates a new humorous vision of the region that recognizes both its pained history and its grudging accession to modernity Drawing from works of key southern writers Pugh sets forth a new vision of Southern literature emerges one illuminated by the humor of gay voices no longer at the margins

Patricia Foster, Jeff Porter, 2012-07-25 This is a book on how to read the essay one that demonstrates how reading is inextricably tied to the art of writing It aims to treat the essay with the close attention that has been given to other literary genres and in doing so it suggests the beauty and depth of the form as a whole At once personal appreciations and acute critical assessments the pieces collected here broaden our perspective on the essay as a major literary art tracing its history from William Hazlitt to Joan Didion *Different Roads* Larry Meredith, 2014-09-30 The works in this anthology reflect both the myth and the truth about the part of the United States we call the West Is there one true West Or have the changes that are overwhelming most of the rest of the country so modified the West that there is little commonality The editors of *Different Roads* believe with Stephen R Covey that our strength lies in differences not in similarities and we are constantly amazed by what Stanley Baldwin calls the many sidedness of truth Many sides of the truth of the West are represented in the anthology Is everything here absolutely the truth The reader must decide Topics included in this collection of poetry fiction and creative non fiction range from the West s diversity of landscape people languages attitudes and history to discussions of water issues wildfires antiquities and a broad range of environmental concerns *We Find Ourselves in Other People's Stories* Amy E. Robillard, 2018-12-07 *We Find Ourselves in Other People's Stories* On Narrative Collapse and a Lifetime Search for Story is a collection of five essays that dissolves the boundary between personal writing and academic writing a longstanding binary construct in the discipline of composition and writing studies in order to examine the rhetorical effects of narrative collapse on the stories we tell about ourselves and others Taken together the essays theorize the relationships between language and violence between narrative and dementia between genre and certainty and between writing and life

As an adult Kelly decides to discover how the place where she came from defined the person she ultimately became. To do this she goes back to the beginning to a mother she never knew, a thirty-year-old cold case, and two of Los Angeles's most notorious murderers. *We Are All Shipwrecks* is Kelly's story of redemption from tragedy told with a tenderness toward her family that makes it as much about preserving the strings that anchor her as it is about breaking free. *You Must Be This Tall to Ride* B.J.
