Tough Questions - Biblical Answers Part II Jack Cottrell, 2001-09-25 *Tough Questions - Biblical Answers Part I* Jack Cottrell, 2001-09-25 This book is based on the conviction that the Bible is God's inerrant word given for all humankind and that it presents the framework of a total life and world view. The author contends that until we learn to use the Bible and apply it to such problems as capital punishment, genetic engineering, homosexuality, and labor strikes, we will be at the mercy of today's humanistic value shapers and our own uninformed feelings. **Tough Questions-- Biblical Answers** Jack Cottrell, 1985 *Tough Questions - Biblical Answers Part I* Jack Cottrell, 2001-09-25 This book is based on the conviction that the Bible is God's inerrant word given for all humankind and that it presents the framework of a total life and world view. Christian Ethics Larry Chouinard, David A. Fiensy, George F. Pickens, 2010-04-01 Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing, and perfect will. Romans 12:2 NIV. What are your goals in life? What goals should you pursue in your life? Every day you make decisions concerning moral issues. Moral evaluation implies that there is a standard of judgment. Christian ethics is the study of how we live a life that conforms to the will of God. When we look at life from a biblical perspective, our goals, actions, and standards should be the result of asking the question, "What is God calling me to do?" and be. *Christian Ethics* takes a fresh look at a multitude of ethical issues through the lens of God's Word. This important new resource will help provide guidance into knowing God's will for your life.
