story of author Nwaoha Ugochukwu C who grew up in a remote village in Nigeria In his own words My Journey Is My Life is based on a true life story and my life experiences in general It was written to teach others that the things that cost no pain provide lesser gains while things that cost more pain provide larger gains Where there has been little sweat there will be little sweet The experiences and activities in my life s journey if not for God s intervention were beyond what words could explain cruel and nearly unimaginable Frankly throughout this period what life gave me was more than terrible and frightening pictures so I thought the only thing remaining for me to do was depart from this world But I refused to die like a coward who dies more than ten times before his death Seeing what this life was all about it must be believed that it was by the will of God that I was saved And to give God all the glory I will employ the word of God from the Bible as I describe my survival efforts For they got not the land in possession by their own sword neither did their own arm save them but thy right hand and thine arm and the light of thy countenance because thou hadst a favor unto them Psalm 44 3 In the journey of life when fear is set aside greatness can be achieved in adversity
