In Pursuit of Jefferson Derek Baxter,2022-03-15 A debut that combines historical nonfiction with travel books for fans of Bill Bryson and Tony Horwitz In Pursuit of Jefferson is the story of an American on a journey through Europe following the epic trail of Thomas Jefferson A controversial founding father A man ready for a change And a completely unique trip through Europe In 1784 Thomas Jefferson was a broken man Reeling from the loss of his wife and stung from a political scandal during the Revolutionary war he needed to remake himself To do that he traveled Wandering through Europe Jefferson saw and learned as much as he could ultimately bringing his knowledge home to a young America There he would rise to power and shape a nation More than two hundred years later Derek Baxter a devotee of American history stumbles on an obscure travel guide written by Jefferson Hints for Americans Traveling Through Europe as he s going through his own personal crisis Who better to offer advice than a founding father himself Using Hints as his roadmap Baxter follows Jefferson through six countries and countless lessons But what Baxter learns isn t always what Jefferson had in mind and as he comes to understand Jefferson better he doesn t always like what he finds In Pursuit of Jefferson is at once the story of a life changing trip through Europe an unflinching look at a founding father and a moving personal journey With rich historical detail a sense of humor and boundless heart Baxter explores how we can be better moving forward only by first looking back
