Prison Food in America Erika Camplin,2016-12-08 America seems presently fascinated by prison culture and the inner workings of what happens behind clinked doors With TV shows creating binge watchers of us all and celebrities piquing public interest as they end up behind bars Americans seem to enjoy a good gawk at prison life Each year more than 1 3 million visitors still trek out to Alcatraz Island one of the most famous prisons in the world And why shouldn t they be curious about prison We as a nation currently incarcerate more people per capita than any other country and our prisons are notoriously rough violent and overcrowded At the same time we love our food take pictures of it post it socially and discuss our foodie favorites Rarely do we consider the food experiences of those for whom sustenance is more difficult to obtain particularly those incarcerated where choice and access is severely limited Prison food is often everything to prisoners It is the only marker of time throughout the day Food becomes commerce in the microeconomies behind prison walls It is often the only source of pleasure in a monotonous routine It creates sites of community when prisoners ban together to create recipes but also becomes a site of discord when issues surrounding fairness and equity arise in the chow hall Prison Food in America offers a high level snapshot of the fare offered behind bars its general guidelines and regulations fascinating stories about prisoners and food and the remarkable and varied ways food plays a role in the fabric of prison culture **The**

Shadow of El Centro Jessica Ordaz,2021-01-29 Bounded by desert and mountains El Centro California is isolated and difficult to reach However its location close to the border between San Diego and Yuma Arizona has made it an important place for Mexican migrants attracted to the valley s agricultural economy In 1945 it also became home to the El Centro Immigration Detention Camp The Shadow of El Centro tells the story of how that camp evolved into the Immigration and Customs Enforcement Service Processing Center of the 2000s and became a national model for detaining migrants a place where the policing of migration the racialization of labor and detainee resistance coalesced Using government correspondence photographs oral histories and private documents Jessica Ordaz reveals the rise and transformation of migrant detention through this groundbreaking history of one detention camp The story shows how the U S detention system was built to extract labor to discipline and to control migration and it helps us understand the long and shadowy history of how immigration officials went from detaining a few thousand unauthorized migrants during the 1940s to confining hundreds

of thousands of people by the end of the twentieth century Ordaz also uncovers how these detained migrants have worked together to create transnational solidarities and innovative forms of resistance

Assistive Technology C. Sik-Lányi, E.-J. Hoogerwerf, K. Miesenberger, 2015-08-27 Assistive Technology AT is the term used to describe products or technology based services which support those with disabilities or other limitations to their daily activities enabling them to enjoy a better quality of life This book presents the proceedings of the 13th European Conference on the Advancement of Assistive Technology AAATE 2015 held in Budapest Hungary in September 2015 This biennial conference has established itself as a leading forum in the transdisciplinary area of Assistive Technology providing a unique platform for the gathering of experts from around the world to review progress and challenges in the interdisciplinary fields which contribute to AT such as research development manufacturing supply provision and policy The theme of the 2015 conference is Attracting new areas and building bridges and this book contains 138 reviewed papers and 28 poster presentations delivered at the conference covering AT themes as diverse as aging blindness mobility assisted living and accessibility for people with dementia and cognitive impairment Offering a current overview of many aspects of AT this book will be of interest to all those from researchers and manufacturers to healthcare professionals and end users whose work or daily life involves the relationship between technology and disability

Bottleneckers William Mellor, Dick M. Carpenter II, 2016-12-13 Bottleneckers a person who advocates for the creation or perpetuation of government regulation particularly an occupational license to restrict entry into his or her occupation thereby accruing an economic advantage without providing a benefit to consumers The Left Right and Center all hate them powerful special interests that use government power for their own private benefit In an era when the Left hates fat cats and the Right despises crony capitalists now there is an artful and memorable one word pejorative they can both get behind bottleneckers A bottleneckers is anyone who uses government power to limit competition and thereby reap monopoly profits and other benefits Bottleneckers work with politicians to constrict competition entrepreneurial innovation and opportunity They thereby limit consumer choice drive up consumer prices and they support politicians who willingly overstep the constitutional limits of their powers to create maintain and expand these anticompetitive bottlenecks The Institute for Justice's new book Bottleneckers coins a new word in the American lexicon and provides a rich history and well researched examples of bottleneckers in one occupation after another from alcohol distributors to taxicab cartels pointing the way to positive reforms
