Comrades Marathon John Cameron-Dow, 2011-10-03 As the world's largest and oldest ultra marathon race South Africa's Comrades Marathon can be regarded as a true celebration of and homage to human strength and spirit. What other event so inspires ordinary people to become athletes for a day and compete against themselves to conquer themselves and a brutal course? Although several books and articles have been written on this extraordinary event over the ninety years of its existence, it has only been in the past twenty-five years that the Comrades Marathon has truly entered the collective consciousness of all South Africans and that the event has fully come to embody the history and transformation of the country. This book, the result of an exclusive mandate given to the author by the Comrades Marathon Association, chronicles the official history of the race from its inception to the present day. It includes a comprehensive description of the race course and showcases some of the greatest legends in Comrades history such as Wally Hayward, Allan Robb, and Bruce Fordyce, and promises an inspirational, interesting, and insightful read to runners and their supporters alike.
