Chon,2020-12-19 Find out how to entertain all types of Japanese tourists from student groups to retirees Would a Japanese traveler rather see pictures of beautiful landscapes or smiling Japanese couples in a tourist brochure Will you attract more Japanese tour groups by promising them independence and adventure or excellent food Given the importance of Japanese tourists to the global travel industry understanding their travel related behavior has become an essential item in the tourism research agenda Japanese Tourists Socio Economic Marketing and Psychological Analysis investigates the specific needs behaviors and desires of this growing segment of the international tourism market Japanese tourists spend billions of dollars abroad every year and travel

destinations as far apart as Australia and Manhattan compete fiercely for their custom. By taking cultural traits into account, travel industry professionals can better understand exactly what kinds of amenities, accommodations, service, and total experience Japanese travelers are looking for. This volume of original research and well-grounded theory elucidates the specific factors that go into Japanese travel and buying decisions, whether the travelers are Japanese office ladies seeking bargains in Hong Kong or a group of senior citizens hoping to see the Northern Lights. Japanese Tourists: Socio-Economic, Marketing, and Psychological Analysis discusses a full range of issues crucial to attracting Japanese tourism, including how stage of life affects travel behavior, why Japanese people book overseas weddings and group honeymoon tours, whether legalized gambling would increase or discourage Japanese tourism in Hawaii, how issues of perceived safety affect choice of travel destinations, what souvenirs mean in Japanese culture, which travel images are most likely to attract Japanese tourists, what sources of information Japanese travelers use to help them select destinations. Japanese Tourists offers the most up-to-date international studies on the socioeconomic, marketing, and psychological factors affecting Japanese people traveling abroad. This volume is an invaluable resource for travel professionals seeking to break into the tough but lucrative Japanese outbound tourism market.
