Tourism And Hotel Development In China From Political To Economic Success

Hanqin Qiu Zhang, Ray Pine, Terry Lam

Tourism And Hotel Development In China From Political To Economic Success:

Tourism and Hotel Development in China Ray J Pine, Terry Lam *Deceased*, Hanquin Qui Zhang, 2013-04-03 Examine the reasons for the rapid growth of China's tourism industry *Tourism and Hotel Development in China From Political to Economic Success* is a comprehensive guide to the development of the tourism industry in Mainland China following the end of the Cultural Revolution. Conceived as a textbook but equally valuable as a professional resource for consultants, researchers, and tourist organizations, this insightful book tracks the unique circumstances that sparked the growth of China's tourism and hotel industry from a political/diplomatic activity to a burgeoning economic industry. The book includes background information on geography, culture, history, politics, and economics and examines the evolution of tourism policies, inbound vs. outbound travel, hotel operations and trends, and the Chinese government's role in developing tourism. China may be a latecomer to international tourism development, but visitors have made it one of the world's top 10 travel destinations every year since 1994. Since historic policy shifts in 1978 opened China's doors to the outside world, inbound tourism has played a significant role in building a national economy. And the increase in disposable income among China's citizens has helped create a sizable market for domestic and outbound tourism as well. *Tourism and Hotel Development in China* looks at the major factors and characteristics of each type of tourism, international hotel development trends, and their influence on China's hotel industry, related human resources issues, travel services, the development of hotel chains in China, compensation and incentive management, and the future of China's tourism and hotel industry. Topics examined in *Tourism and Hotel Development in China* include travel and tourism pre and post 1949, the Asia market, the intercontinental market, international tourism in different regions of China, popular urban tourist destinations in China, approved outbound destinations, outbound travel to Hong Kong, challenges facing travel services, local protectionism, travel agencies, hotel franchising, foreign vs. local hotel chains, outsourcing, and much more. *Tourism and Hotel Development in China From Political to Economic Success* follows the journey of China's tourism industry from a public relations vehicle restricted by the economy and controlled by the government to an important source of commerce for a country whose national economy was nearly on the verge of collapse.

Tourism and Hotel Development in China Ray J Pine, Terry Lam *Deceased*, Hanquin Qui Zhang, 2013-04-03 Examine the reasons for the rapid growth of China's tourism industry *Tourism and Hotel Development in China From Political to Economic Success* is a comprehensive guide to the development of the tourism industry in Mainland China following the end of the Cultural Revolution. China's Porcelain Capital Maris Boyd Gillette, 2016-08-11 Maris Boyd Gillette's groundbreaking study tells the story of Jingdezhen, China's porcelain capital, from its origins in 1004 in Song dynasty China to the present day. Gillette explores how Jingdezhen has been affected by state involvement in porcelain production, particularly during the long 20th century. She considers how the Chinese government has consumed, invested in, taxed, and managed the local ceramics industry and the effects of this state intervention on ceramists' lives, their local environment, and the nature of the goods they produce. Gillette traces how Jingdezhen experienced the transition from imperial rule to state ownership under communism, the changing fortunes of the ceramics industry in the early 21st century, the decay and decline that accompanied privatisation, and a revival brought about by an entrepreneurial culture focusing on the manufacture of highly prized art porcelain.

Tourism in China David Airey, King Chong, 2011-04-20 Tourism in China has grown rapidly since the country started implementing its open door policy in 1978. Tourism development is now an essential agenda item for the Chinese government's plan for economic development. Deng Xiaoping (1978-1997) and the Collective Leadership Era (1997 to the present). The attitudes and values of leaders and central government agencies towards tourism are considered, as well as the interactions of ideological orthodoxies, socio-economic conditions, and institutions in their influence on national policy making and tourism development. A separate chapter is devoted to policy making in China's two Special Administrative Regions, Hong Kong and Macau, as well as Taiwan, due to its political separation from the Mainland and Tibet, given its distinctive characteristics. Drawing on China's experience over sixty years, the book concludes with both theoretical and practical implications for tourism policy making. This timely volume offers important insights into China's Tourism, as well as contributing to a wider

pattern of debates about the respective roles of government policy and the market in the past and future The material draws on exclusive in depth interviews with key informants in China and on government documents and official sources not generally available in the international literature This will be of interest to higher level students academics researchers within Tourism Policy studies Politics Geography and China Studies

Planning for Ethnic Tourism Li Yang, Geoffrey Wall, 2016-04-22 Ethnic tourism has emerged as a means that is employed by many countries to facilitate economic and cultural development and to assist in the preservation of ethnic heritage However while ethnic tourism has the potential to bring economic and social benefits it can also significantly impact traditional cultures ways of life and the sense of identity of ethnic groups There is growing concern in many places about how to balance the use of ethnicity as a tourist attraction with the protection of minority cultures and the promotion of ethnic pride Despite the fact that a substantial literature is devoted to the impacts of ethnic tourism little research has been done on how to plan ethnic tourism attractions or to manage community impacts of tourism This book addresses the need for more research on planning for ethnic tourism by exploring the status and enhancement of planning strategies for ethnic tourism development The book develops the case of a well known ethnic tourist destination in China Xishuangbanna Yunnan It analyzes how ethnic tourism has been planned and developed at the study site and examines associated socio cultural and planning issues The authors evaluate the perspectives of four key stakeholder groups the government tourism entrepreneurs ethnic minorities and tourists on ethnic tourism through on site observation interviews with government officials planners and tourism entrepreneurs surveys of tourists and ethnic minority people and evaluation of government policies plans and statistics This book is unique in its emphasis on planning and in its focus on China rapidly emerging as a major player in tourism with applications for tourism around the world

Tourism in China Chris Ryan, Gu Huimin, 2009-01-13 China is forecast to be the primary tourist destination and tourist generating country by 2020 However much of the writing on tourism in China has come from people within the English academic world who are not involved in the issues related to Chinese tourism development This book provides a voice to Chinese mainland academic researchers and examines the nature of tourism research and tourism development in China Contributors many of whom are based in China and are immersed in the daily issues of teaching researching and planning tourism development within China discuss issues related to resource use destination image and community participation with case studies that combine conceptual frameworks and practical issues This authoritative text on tourism in China will be of interest to scholars and students of tourism throughout the world

Economy Hotels in China Songshan Sam Huang, Xuhua Michael Sun, 2014-01-10 While economy or budget hotels have been popular in western countries since the end of the Second World War they have only emerged as a sector in their own right in China since the mid 1990s Indeed as a new service industry sector economy hotels in China demonstrate important characteristics which can be used to illustrate and help explain China's current economic progress more generally This book provides a comprehensive overview of the economy hotel sector in China It covers macro level social cultural economic environmental geographic and development issues alongside micro level consideration of the budget hotel companies innovative management and marketing procedures business expansion strategies general hotel management and operation issues as well as an analysis of some leading entrepreneurs in the sector and in depth case studies examining the most successful economy hotel companies in China Huang and Sun argue that the rapid development of budget hotels in China demonstrates how under the influence of globalisation Chinese businesses have become more innovative as they apply successful western business models to China In turn they show that the China model is fundamentally different in terms of its

driving force which lies purely in its domestic travel market fuelled by China's continued economic growth. There is therefore much to explore about both China's market situation and business practices in the economy hotel sector and this book makes an important contribution to our understanding of China's new business environment. Based on extensive fieldwork and investigation, *Economy Hotels in China* will be welcomed by students and scholars of tourism, hospitality, business studies and Chinese studies but it will also appeal to practitioners of business management in these sectors who are interested in China's development and business opportunities in China.

Vietnam Tourism Arthur Asa Berger, 2005. This book presents an ethnographic analysis of Vietnamese culture and an essential overview of what Vietnam offers tourists looking at the exciting possibilities and the potential pitfalls of visiting this extraordinary country. Although Vietnam is a Third World country it has excellent tourism companies and many wonderful sites from Halong Bay and Hue to extraordinary temples and beautiful beaches. *Vietnam Tourism* paints a vivid portrait of the country's customs, off the beaten path places to visit and popular tourist destinations, exploring the problems and possibilities Vietnam faces in developing its tourism industry. A twelve-page photo section brings vibrant images of this unique country to life. To view an excerpt online, find the book in our QuickSearch catalog at www.HaworthPress.com.

Managing Sustainable Tourism David L. Edgell, Sr, 2013-10-28. Intelligently designed tourism strategies for the twenty-first century. Successful tourism development and marketing are dependent on maintaining a delicate balance between economic growth and the protection of environments. *Managing Sustainable Tourism: A Legacy for the Future* tackles the tough issues of tourism such as negative environmental impact and cultural degradation and provides answers that don't sacrifice positive economic growth. This essential book offers practical plans for fostering harmonious relationships among local communities, the private sector, not-for-profit organizations, academic institutions and governments at all levels, as well as develops management practices and philosophies that protect natural built and cultural environments while reinforcing positive and orderly economic growth. *Managing Sustainable Tourism* discusses in depth the sensible guidelines for protecting environment heritage sites and local culture while developing realistic tourism goals for compatible economic growth. Useful strategies for sustainable tourism are detailed for each tourism type along with useful tried and true marketing techniques aimed at cooperation and respect for all types of environments. Case studies, research and supplemental reading lists clearly illustrate ideas and the author's qualified suggestions. *Managing Sustainable Tourism* explores the future of the tourism industry, understanding sustainable tourism, the economics of community growth through tourism, marketing the sustainable tourism product, nature tourism, heritage tourism, cultural tourism, rural tourism, practical guidelines for sustainable tourism, a workable global sustainable tourism initiative. *Managing Sustainable Tourism* is an ideal resource for educators, students, developers, entrepreneurs, investors, tourism strategists, planners, policymakers and anyone interested in sustainable tourism for the new millennium.

Tourism And Hotel Development In China From Political To Economic Success: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. Tourism And Hotel Development In China From Political To Economic Success : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Tourism And Hotel Development In China From Political To Economic Success : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Tourism And Hotel Development In China From Political To Economic Success : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
