The Routledge Handbook of Tourism Experience Management and Marketing Saurabh Kumar Dixit, 2020-05-18. The Routledge Handbook of Tourism Experience Management and Marketing offers a comprehensive and thorough inquiry into both customary and emergent issues of tourism experience and co-creation. Drawing together contributions from 83 authors from 28 countries with varied backgrounds and interdisciplinary interests, the handbook highlights multiple representations and interpretations of the theme. It also integrates a selection of illustrative global case studies to effectively present its chapter contents. Tourism experience drives the contemporary tourist's behavior as they travel in pursuit of experiencing unique and unusual destinations and activities. Creating a memorable and enduring experience is therefore a prerequisite for all tourism business organizations irrespective of the nature of their products or services. This handbook focuses on conceptualizing, designing, staging, managing and marketing paradigms of tourism experiences from both supply and demand perspectives. It sheds substantial light on the contemporary theories, practices and future developments in the arena of experiential tourism management and marketing. Encompassing the latest thinking and research themes, this will be an essential reference for upper level students, researchers, academics and industry practitioners of hospitality as well as those of tourism, gastronomy, management, marketing, consumer behavior, cultural studies, development studies and international business encouraging dialogue across disciplinary boundaries.

A Practical Guide to Managing Tourist Experiences Isabelle Frochot, 2021-12-30. This book provides students with a concise and practical guide that presents key understandings of the tourist experience and provides strategic guidance on how to develop an impactful and memorable experience. Chapters follow the path of the tourist journey, firstly exploring consumer behaviour, the decision making process and the tourist's need for escape and providing insights into the strategic implications of consumer behaviour and the concept of immersion in tourism. Subsequent chapters look at the impact of experiences, consider trends in tourism experience such as wellness, sustainability, authenticity and fantasy and provide experience design models. The final chapter offers a unique ten-step approach to designing impactful and memorable tourist experiences. Highly practical and engaging, this book is packed full of case studies and examples from forest bathing in Finland to truffle hunting in Italy as well as tools and exercises to guide the design process. This book offers students a full understanding of how the experience is lived from the tourist perspective, how tourism providers can manage that process and how to develop successful experimental marketing interventions. This is essential reading for all tourism students and future tourism managers.
