Toxic Churches Restoration From Spiritual Abuse:

Toxic Churches Marc Du Pont, 2004-01-01 Spiritual abuse devastates its victims perhaps more than any other form of violation because it targets those who are most unprepared and vulnerable This book aims to reach out to those who have given their time money and talents to the Body of Christ only to find themselves hurting frustrated and confused

Toxic Churches Marc Dupont, 2004-02-01 Spiritual abuse devastates its victims perhaps more than any other form of violation because it targets those who are most unprepared and vulnerable In Toxic Churches Marc Dupont reaches out to those who have given their time money and talents to the Body of Christ only to find themselves hurting frustrated and confused He also writes to Christian leaders who may have inadvertently hurt the flock of God entrusted to their care This book explores all aspects of spiritual abuse in the church With care and tenderness Dupont offers help and hope to those caught in abusive situations people who might even be blaming themselves He provides a healing balm to those with residual pain from past abuse And he warns those engaging in abusive behavior flagging telltale signs of warped and broken patterns Those who have been used or abused by church leaders will find a deeper understanding of God's healing grace both for themselves and for those who hurt them

Breaking the Silence on Spiritual Abuse L. Oakley, K. Kinmond, 2013-10-17 Providing a balance of empirical research and practical concerns this book explores the definitions and historical context of spiritual abuse outlines a process model for the different stages of spiritual abuse and includes strategies for therapists working with survivors of spiritual abuse

Toxic Faith Stephen Arterburn, Jack Felton, 2011-04-13 Experiencing Healing from Painful Spiritual Abuse When religion becomes a means to avoid or control life it becomes toxic Those who possess a toxic faith have stepped across the line from a balanced perspective of God to an unbalanced faith in a weak powerless or uncaring God They seek a God to fix every mess prevent every hurt and mend every conflict Toxic Faith distinguishes between a healthy faith and a misguided religiosity that traps believers in an addictive practice of religion It shows how unbalanced ministries misguided churches and unscrupulous leaders can lead their followers away from God and into a desolate experience of religion that drives many to despair Toxic Faith shows readers how to find hope for a return to genuine healthy faith that can add meaning to life In the words of the author I want to help you throw out that toxic faith and bring you back to the real thing

Healing the Wounds of Spiritual Abuse Mike Antony Case, 2017-02-21 This book Healing the Wounds of Spiritual Abuse bears a very close resemblance to the author's previous 2015 publication Deadly Toxins of Unhealthy Churches It carries a similar message as the earlier volume Many victims of spiritual abuse are in greater need of healing than of learning about the intricacies of abusive churches and so after much thought and prayer it was decided to publish another related volume that puts greater emphasis on the healing process and less on the dynamics of toxic churches So if you have already read the earlier volume you may want to consider whether or not to purchase this one Having come to the realization that they were involved with an abusive church many victims of such churches find themselves in an unending loop of distress anger resentment grief and

feelings of abandonment Their sojourn in a cultic group is over but the pain remains This publication emphasizes the process of departing such churches healing the emotional wounds forgiveness trust reconciliation personal restoration and a modern day transformation of a cultic church towards orthodoxy As a friend of mine recently reminded me Jesus came not just to save the lost but to set the captives free as well This book emphasizes and points the way to freedom for anyone who has ever been hurt by toxic Christianity
