Tlingit Tales Potlatch And Totem Pole:

Tlingit Tales Lorle Harris, 1985 Contains 7 Tlingit Indian legends as told by Robert Zuboff head of the Beaver Clan at Angoon Admiralty Island Alaska **Alaska's Totem Poles** Pat Kramer, 2012-11-15 Through the mists of Alaska's rain forest totem poles have stood watch for untold generations Imbued with mystery to outsider eyes the fierce carved symbols silently spoke of territories legends memorials and paid debts Today many of these cultural icons are preserved for the public to enjoy in heritage parks and historical centers through southeast Alaska And after nearly a century of repression totem carving among Alaska's Tlingit Haida Tsimshian peoples is flourishing again In this newly revised edition of Alaska's Totem Poles readers learn about the history and use of totems clan crests symbolism and much more A special section describes where to go to view totems Author Pat Kramer traveled throughout the homelands of the Totem People along Alaska's Panhandle the coast of British Columbia and into the Northwest meeting the people learning their stories and researching and photographing totem poles Foreword writer David A Boxley also offers the unique perspective of a Native Alaskan carver who has been a leader in the renaissance This is a handy guide for travelers in Southeast Alaska who want to learn more about Alaska's totems There's even a guide of where to view totems in the state Ravens killer whales Orca and bears they're all represented in the totem **Tales of Ghosts** Ronald W. Hawker, 2007-10-01 The years between 1922 and 1961 often referred to as the Dark Ages of Northwest Coast art have largely been ignored by art historians and dismissed as a period of artistic decline Tales of Ghosts compellingly reclaims this era arguing that it was instead a critical period during which the art played an important role in public discourses on the status of First Nations people in Canadian society Those with an interest in First Nations and Canadian history and art history anthropology museology and post colonial studies will be delighted by the publication of this major contribution to their fields **A New Deal for Native Art** Jennifer McLerran, 2022-08-16 As the Great Depression touched every corner of America the New Deal promoted indigenous arts and crafts as a means of bootstrapping Native American peoples But New Deal administrators romanticization of indigenous artists predisposed them to favor pre industrial forms rather than art that responded to contemporary markets In A New Deal for Native Art Jennifer McLerran reveals how positioning the native artist as a pre modern Other served the goals of New Deal programs and how this sometimes worked at cross purposes with promoting native self sufficiency She describes federal policies of the 1930s and early 1940s that sought to generate an upscale market for Native American arts and crafts And by unraveling the complex ways in which commodification was negotiated and the roles that producers consumers and New Deal administrators played in that process she sheds new light on native art's commodity status and the artist's position as colonial subject In this first book to address the ways in which New Deal Indian policy specifically advanced commodification and colonization McLerran reviews its multi pronged effort to improve the market for Indian art through the Indian Arts and Crafts Board arts and crafts cooperatives murals museum exhibits and Civilian Conservation Corps projects

Presenting nationwide case studies that demonstrate transcultural dynamics of production and reception she argues for viewing Indian art as a commodity as part of the national economy and as part of national political trends and reform efforts McLerran marks the contributions of key individuals from John Collier and Rene d Harnoncourt to Navajo artist Gerald Nailor whose mural in the Navajo Nation Council House conveyed distinctly different messages to outsiders and tribal members Featuring dozens of illustrations A New Deal for Native Art offers a new look at the complexities of folk art revivals as it opens a new window on the Indian New Deal Material culture : critical concepts in the social sciences.
