Francine came to time travel and frankly who would believe it But when she s tossed back in time she regrets she didn t pay more attention to the past of course that s only after she finally admits to herself that she s been tossed into another world much like a Victorian freaky Friday The first thing Francine has to reconcile is that a woman in Victorian England is a commodity She s owned Francine is no longer the powerful business woman she was only moments ago and on top of it all she s being chased by a man who wants her dead or worse Her only chance for safety lies in Gideon Trumbull the lionhearted but evasive duke who discovers her terrified running for her life at the edge of his lands What began as a compulsion to learn anything she could about him turns into an urgent need and she finds herself in an inescapable new reality a world in which she doesn t belong Meanwhile Gideon s brother Perry has likewise been caught up in an incident Finding a stowaway housemaid in his carriage as he s bound for London will be the most life changing moment of his life She s plotting to seduce the rake who refuses to touch her Propriety be damned Getting him to teach her what love is seems like just the right challenge to sooth her damaged soul Until the man who chased Francine sets his sites on someone much more accessible The entire Trumbull family comes together to protect the women they ve accepted into the fold in the first installment in the Trumbull Family Saga The Rake and The Recluse Books in the LORDS OF TIME SERIES THE RAKE AND THE RECLUSE THE DUKE AND THE BARON THE DUKE AND THE DOMINA THE TROUBLE WITH GRACE THE SPARE AND THE HEIR THE SADIST AND THE STOLEN PRINCESS THE LADY AND HER SECRET LOVER [A Love Through Time](#) Marti Jones,1996 **The Serpent's Coil** Kat Drennan,2023-01-14 Sequel to Cloisonne Brooch and Lesidi s coil [Must Love Breeches](#) Angela Quarles,2014-09-03 She s finally met the man of her dreams too bad he lives in a different century A devoted history buff finds the re enactment of a pre Victorian ball in London a bit boring until a mysterious artifact sweeps her back in time to the real event and into the arms of a compelling British lord Isabelle Rochon can t believe it when she finds herself in the reality of 1830 s London high society She s thrilled to witness events and people she s studied But she may also have to survive without modern tools or career unless she can find a way to return to her time And then there s Viscount Lord Montagu a man whose embrace curls her toes but who has a dangerous agenda of his own Lord Phineas Montagu is on a mission to avenge his sister and he ll stop at nothing including convincing an alluring stranger to pose as his respectable fianc He s happy to repay her by helping her search for her stolen calling card case that brought her back in time But he doesn t bargain for the lady being his intellectual match or for the irresistible attraction that flames between them They re both certain they know what they want but as passion flares Phineas must keep both himself and Isabella safe from unseen opponents and she must choose when and where her heart belongs Can they ever be together for good Don t miss the time travel romance USA Today called a delicious twist on historical drama and romance [Whispered Kisses](#) Janelle Taylor,1990-03-01 Texas heiress Laura Leigh Webster thought she was prepared for the perils she might face on her first African safari But the beautiful blonde never dreamed her biggest worry would be a beast of the two legged variety Jace
