those who are exploring a call to licensed ministry lay and ordained and for those with responsibility for encouraging and discerning vocations It introduces the categories of the Church s new discernment framework and brings them into conversation with the historic Anglican understanding of priestly vocation the Ordinal and the wider missional manifesto of the Anglican Communion the Five Marks of Mission Its unique approach offers a comprehensive and up to date treatment which is attuned to the simpler humbler bolder vision of the post pandemic Church of England It will be an essential resource for every diocesan vocations team and will also have value as a basic text for Anglican ministerial theology in IME 1

Performing a Christian Life Thomas D. Kennedy, 2019-11-13 We want to live good lives but determining what a good life is isn t easy especially if we want the lives we lead to be ours rather than somebody else s Tom Kennedy helps us see why it is hard to find our way when it comes to living well and what we can do about that Finding our way requires knowing who we are understanding ourselves and Christians because of their experience with God will understand themselves differently than others in at least some ways Kennedy explores that understanding and discovers that Christian encounters with God lead to beliefs about God human nature forgiveness values and loving well that have important implications for what we do and feel for how we should live In clear and familiar language and with probing questions he helps us think more carefully and deeply about our identities and what it should look like for us to live well **The “Disciple Investing” Life Rod**
