Toastmasters Advanced Manuals Interpretive:

Mentoring Derrick Trimble, 2015-01-13 The gift of mentoring is one of the benefits offered through a Toastmasters International club educational program. If a club has a mentoring program established, this book will stimulate new thinking for consideration. Is a club struggling to meet the expectation of a mentoring program? Mentoring Value Based Empowerment offers insights for developing a transformational mentor experience. An essential element of any successful club level mentoring program is to demonstrate the Toastmasters International values of respect, integrity, service, and excellence.

Until one fine day Dennis brought me to his home club D Utama Advanced Toastmasters Club. This club amazed me with the positive learning platform. Every Toastmaster starts with a single speech. We are here to make our mistake and progress from here. My public speaking journey started with Toastmasters; since then it has not stop and I keep looking for opportunities to practice my public speaking. I joined D Utama Advanced Toastmasters Club in February 2013 to present. Throughout the journey I hold various positions in Club and District level. As an Accountant by profession, I was naturally elected as Club Treasurer in the first term. I joined followed by Club Vice President, Education Club President, Area Director, District Public Relations Manager, and Club Secretary in the subsequent terms. I obtained my Distinguished Toastmaster (DTM) title in 2018. My heartfelt thank you to all the members in my home club D Utama Advanced Toastmasters Club. Every one of you made my journey in Toastmasters. Many people wonder why am I so active in Toastmasters Club including my own family members. Once you join any Toastmasters Club and if you are actively involved in the Club or District activities, you will soon learn this is an amazing journey. I gained both communication and leadership skills in Toastmasters journey. My level of confidence boosted when I acquired both skills and I progress very well in my career as I become a fluent speaker that can articulate my message across. This book contains eighteen of my collectible original speeches for the journey to become a Distinguished Toastmaster.
