syncretism will continue to be a stigma on the fabric of African Christianity Therefore to overcome the threats of syncretism in African Christianity there is a need to establish a sound theological and missiological framework that can address the problems associated with the African worldviews and belief systems This task must be carried out under the searchlight of Scriptures *Prayers for Victory in Spiritual Warfare (Milano Softone)* Tony Evans,2018-09-04 Who is the one who overcomes the world but he who believes that Jesus is the Son of God 1 John 5 5 If you believe in Jesus and have accepted the life He offers through the cross then the world and its ways shouldn t be able to drag you down But do you still find yourself uncertain how to pray and experience victory Pastor Tony Evans stands ready to help you put on the full armor of God Ephesians 6 11 In this collection of spiritual warfare prayers that correspond with each piece of armor you ll find hope for your struggles with fear and anxiety broken relationships financial issues negative habits and addictions pain and illness Satan s influence is not the final word for those who through Jesus overcome the world God has given you the resources you need to be victorious and you can access them now through prayer **NIV, Voices of Faith Devotional Bible**
