Runner's World, 2008-02 Runner's World magazine aims to help runners achieve their personal health fitness and performance goals and to inspire them with vivid memorable storytelling Jayhawker Andrew Malan Milward, 2019-10-21 Wars ravage Iraq and Afghanistan An earthquake devastates Haiti The economy is in crisis and America is in the death grip of partisan politics But what really really gets you down Your college basketball team loses a key game It kind of makes a person wonder first of course about his priorities but then inevitably about the nature of such an obsession one clearly shared with millions of sports fans spanning the United States In a book that begins with one fan's passion for a game Andrew Malan Milward takes a deep dive into sports culture team loyalty and a shared sense of belonging and what these have to do with character home and history At the University of Kansas where the inventor of the sport coached its first team basketball is a religion and Milward is a devoted follower with a faith that has grown despite time and distance Jayhawker his first venture into nonfiction bears the marks of the accomplished storyteller Sharply observed deftly written and often as dramatic as its subject the book pairs personal memoir with cultural history to conduct us from the world of the athlete to the literary life from competition to camaraderie from the history of the game to the game as a reflection of American history at its darkest hour and in its shining moments A journey through one man's obsession with basketball Jayhawker On History Home and Basketball tells a quintessential American story The Geraldo Show Geraldo Rivera, 2018-04-03 During my half a century in public life my image and reputation have had more ups and downs than the Cyclone roller coaster at Coney Island I have been called savior and sinner fool and wise man crusader and exploiter hothead and dope I am routinely scorned admired beloved and belittled which one is usually based on when the viewer tuned in Were you around for my early days as a crusading local newsman Did you waste an evening with me inside Al Capone's empty vault Were you watching when the bombs dropped in Afghanistan or Iraq or did you tune in to the raucous talk show when my nose was broken in the best television studio brawl ever caught on tape Since the attacks of September 11 2001 and my employment by the conservative rabble rousers of Fox News and more recently with the coming of the Age of Trump my professional life has

been even more difficult to define How could a sincerely progressive native born Jew Rican New Yorker like me ever work for an outfit better suited to the vibes of Orange County California the Dixie Appalachia or the Mountain West How could I not condemn and obstruct a wrecking ball like Donald Trump Over five decades I have met most of the era s good and bad guys from Ronald Reagan to Charles Manson Fidel Castro to Yasser Arafat Muhammad Ali to John Lennon and Elvis Presley to Michael Jackson Two figure heavily in this book both longtime friends Roger Ailes the disgraced yet undeniably brilliant creator of Fox News and Donald Trump once a flamboyant playboy billionaire businessman and now 45th President of the United States At the vigorous twilight of a long and largely improvised life lived in plain sight I have little left to prove Faced with a series of random chances for better and worse what I made of my life is what I made of those chances Time has enlightened and humbled me Sincerely Geraldo Rivera
