Tough Questions - Biblical Answers Part I

Jack Cottrell, 2001-09-25 This book is based on the conviction that the Bible is God's inerrant word given for all humankind and that it presents the framework of a total life and world view. Its doctrine and its ethical principles are relevant to the social and moral issues of all times. The author contends that until we learn to use the Bible and apply it to such problems as capital punishment, genetic engineering, homosexuality, and labor strikes, we will be at the mercy of today's humanistic value shapers and our own uninformed feelings.

The

21 Toughest Questions Your Kids Will Ask about Christianity Alex McFarland, 2013-08-01 University apologist, director, and

popular speaker, Alex McFarland has spent the last two decades answering questions about Christian worldview and the

Bible from children, teens, and parents. In *The 21 Toughest Questions Your Kids Will Ask about Christianity*, he summarizes

questions today's children and teens are asking about God, the Bible, and the problem of evil. Alex's experiences have taught

him that how adults answer questions about God is as important as, if not more important than, what kids ask. He provides

parents with teaching strategies that will help them reach their children intellectually and spiritually. Today's kids and teens

are looking for authenticity, integrity, and straightforward truth. Alex comes alongside parents and gives them tools to

effectively answer not only their children's toughest academic questions but also the questions that plague their hearts.
