Manley, Elizabeth Manley, 2025 Imagining the Tropics is a history of the development of tourism in the Caribbean from the 1910s through the 1970s that focuses on the ways women s labors of hospitality writing and advocacy built the industry and its ubiquitous

imagery of tropical island relaxation escape and romance By examining a range of sources engaging an array of women protagonists and looking broadly across multiple Caribbean island states including Jamaica Cuba the Bahamas Barbados the Dominican Republic Haiti Puerto Rico Trinidad and Tobago and the U S and British Virgin Islands it seeks to understand how the region came to be sold as a romantic escape from the troubles of the modern world By putting women at the center of Caribbean tourism history as both its ambassadors and objects of desire it seeks to explain some of the complicated contradictions that plague the business of pleasure but also to point toward ways of building alternative models to its present and past extractive realities **Tourism Policy and International Tourism in OECD Member Countries** Organisation

for Economic Co-operation and Development. Committee on Tourism,1984 *Know Your Rights* S Srinivasan,2021-04-09 The ambiguous state of our legal structure and its formats leave the common man with no grasp of the basics of the system in which he lives Treatises and documents are boundless but yet so vague and so verbose that one has neither the time to read it nor to even glance it Over the years it is greatly felt that a standing reference material which can help a bank worker to be aware of this rights as bank employee is necessary Hence this effort on the part of mine to give you a summary of your rights as a bank employee edited from the available sources This document is exhaustive and gives the most correct picture of our rights This book is for all The objectives of this book are to enable activists to understand important concepts in domestic enquiries with practical illustrations and to get insightful understanding of changing environment of service conditions followed in banks and other sectors it is hoped that books will be useful and will be a tool for effective defence assistant in days to come Every line present day s employees in banks are now referring as a service condition and benefits has got an historical struggle and historical negotiation Remember the task of the union to shape your life career and future was never an easy way or path These benefits are hard earned rights in tough times Now you hold the responsibility to preserve protect and improve them Let thousand hands join and build our movement strong Success is not a destination but it is a journey
