Tourism 2013 Grade 11 Final Exam:

Tourism, Philanthropy and School Tours in Zimbabwe Kathleen Smithers, 2024-08-05 This book explores the phenomena of school tours and tourism. It explores tensions of authenticity and artificiality in the school site being both a place of community learning and a spectacle for tourism consumption. Through the example of a school in Matabeleland North Zimbabwe, the book examines the act of a school tour whose main aim is to providing fund for the school. It offers a unique interdisciplinary lens that examines both the school as a tourism destination and as a site of learning. By drawing on these two fields, the book provides insights into the tensions inherent in a school that is also a tourism destination. This book will demonstrate to readers the tensions present in tourism partnerships with schools that include some source of philanthropic funding and unpack the complexities of tourism that draws on stereotypical cultural images. It explores these tensions through the lens of school leaders, students, teachers, and tourism personnel. The book provides a major and unique contribution to the field of tourism studies and education. It will be of interest to students and researchers interested in tourism studies, sociology, education, philanthropy, development studies, and the Global South. **Wilderness of Wildlife**

Tourism Johra Kayeser Fatima, 2017-05-08 Wildlife tourism is a growing multimillion dollar industry within the hospitality and tourism industry. Wildlife tourism in its simplest sense is the creation of tour packages for watching wild animals in their natural habitats and is particularly important in African and South American countries, Australia, India, Canada, Indonesia, Bangladesh, Malaysia, Sri Lanka, and Maldives among others. This new book brings together the best voices in the field of wildlife tourism and provides a key understanding of wildlife tourism. It explores many important aspects of wildlife to date with related implications for various sectors such as technology, education, corporations, and policymaking. **Minerals**
