is Is it a concrete and definable category or something that is more ambiguous and mutable In this book the author takes the reader along with him on his personal journey exploring his relationship with and growing understanding of masculinity Along the way the reader will hear about both healthy and unhealthy or toxic masculinity The way is perilous and strewn with personal landmines and pathogenic beliefs inherited from culture family and institutions This book utilizes an archetypal and mytho poetic framework to analyze experience and form a new relationship to masculinity and the innermost self Through the story of Peter Pan the author analyzes archetypal masculinity from infancy through childhood Next the author takes the reader through The Strange Case of Dr Jekyll and Mr Hyde to discuss the major split most men face between their inner reality exterior persona and the shadow that lurks behind them Finally the author takes a bold leap into the story of Beowulf to battle the dragons of cultural stereotypes falsely imposed limitations and dangerous self beliefs that affect the individual not just as a man but as a human This is one man s story It is about learning and taking responsibility for the kind of life we ultimately want to lead as well as the kind of world we want to leave behind to those who follow *The Chevron Doctrine*

**God's Apocalyptic Insurrection** Richard D. Crane,2024-10-15 What if our inherited theologies of salvation are distorted by a sinful history that includes white supremacy slavery and colonial conquest What if we perpetuate this distortion by continuing to imagine salvation as a legal transaction by which we are saved by God from divine punishment If salvation merely rectifies the individual s standing before God justice and human flourishing are viewed as peripheral to the gospel This book begins with a bit of deconstruction But the real need is construction or perhaps the discovery of another soteriological imagination To be saved is to be drawn into union with Jesus Messiah the bringer of the now and future reign of God where all things are rectified Jesus s life death and resurrected body are the space where a disordered creation is put right Jesus is God s apocalyptic insurrection against every power that dehumanizes harms and destroys human persons We are saved by the triune God by God s gracious acceptance that cannot be earned But we are saved for participation in the invasion of God s reign of justice healing and transformation Salvation has everything to do with caring for refugees resisting
