The Things They Carried Harold Bloom, 2009 This collection of stories from Vietnam War writer Tim O'Brien paints a through picture of the soldiers life in the Vietnam War **CliffsNotes on O'Brien's The Things They Carried** Jill Colella, 2011-05-18 The original CliffsNotes study guides offer expert commentary on major themes plots characters literary devices and historical background The latest generation of titles in this series also feature glossaries and visual elements that complement the classic familiar format In CliffsNotes on *The Things They Carried* you discover Tim O'Brien's powerful and innovative novel about the experiences of foot soldiers during and after the Vietnam War Drawing largely on his own experiences during the war the author creates a fictional protagonist who shares the author's own name and allows this fictional Tim O'Brien to relate disturbing war stories as he creates an indictment against the wastefulness of war Chapter summaries and commentaries take you through Tim O'Brien's very personal journey Critical essays give you insight into the novel's historical context the novel's narrative structure and the theme of loss of innocence Other features that help you study include Character analyses of the main characters A character map that graphically illustrates the relationships among the characters A section on the life and background of Tim O'Brien A review section that tests your knowledge A Resource Center full of books articles films and Internet sites Classic literature or modern day treasure you'll understand it all with expert information and insight from CliffsNotes study guides **On the Road to Find Out** Rachel Toor, 2025-09-23 On New Year's Day Alice Davis goes for a run Her first ever It's painful and embarrassing but so was getting denied by the only college she cares about Alice knows she has to stop sitting around and complaining to her best friend Jenni and her pet rat Walter about what a loser she is But what she doesn't know is that by taking those first steps out the door she is setting off down a road filled with new challenges including vicious side stitches chafing in unmentionable places and race paced first love and strengthening herself to endure when the going suddenly gets tougher than she ever imagined in *On the Road to Find Out* by Rachel Toor [The Skeleton Box](#) Bryan Gruley, 2013-06-04 Mysterious break ins are plaguing the small town of Starvation Lake While elderly residents enjoy their weekly bingo night at St Valentine's Catholic Church someone is slipping into their homes to rifle through financial and personal files Oddly the intruder takes nothing yet the Bingo Night Burglaries leave the entire town uneasy Worry turns into panic when a break in escalates to murder Suddenly Gus Carpenter editor of the Pine County Pilot is forced to investigate the most difficult story of his life Not only is the victim his ex girlfriend Darlene's mother but her body was found in the home of Bea Carpenter Gus's own mother Suffering from worsening dementia and under the influence of sleeping pills Bea remembers little of the break in With the help of Luke Whistler a former Detroit Free Press reporter who came north looking for slower days and some old fashioned newspaper work Gus sets out to uncover the truth behind the murder But when the story leads him to a lockbox his mother has kept secret for years Gus doesn't realize that its contents could forever change his perception of Starvation Lake his own family and the value of the truth

Shakespeare's Sceptered Isle Brian Carroll, 2022-05-18 This work searches Shakespeare's history and Roman plays to find the raw materials of English national consciousness and identity. The messages of Shakespeare's history plays are not principally the plots or facts of the dramas but the attitudes and imaginings they elicited in audiences. Reading Shakespeare through the lens of national identity is a study almost as old as the plays themselves and many scholars have found various articulations of nationhood in Shakespeare's plays. This book argues that Shakespeare's histories furnished modern England with a curriculum for constructing a national identity, a confidence of language and culture and a powerful new medium through which to communicate and express this negotiated identity. Highlighting the application of semiotics, it studies the playwright's use of symbols, metonymy, symbolic codes and metaphor. By examining what Shakespeare and playgoers remembered and forgot as well as the ways ideas were framed, this book explores how a national identity was crafted, contested and circulated.

American Literature in Transition, 1970-1980 Kirk Curnutt, 2018-03-22 American Literature in Transition 1970-1980 examines the literary developments of the twentieth century's gaudiest decade. For a quarter century, filmmakers, musicians and historians have returned to the era to explore the legacy of Watergate, stagflation and Saturday Night Fever, uncovering the unique confluence of political and economic phenomena that make the period such a baffling time. Literary historians have never shown much interest in the era, however, a remarkable omission considering writers as diverse as Toni Morrison, Thomas Pynchon, Marilyn French, Adrienne Rich, Gay Talese, Norman Mailer, Alice Walker and Octavia E. Butler were active. Over the course of twenty-one essays, contributors explore a range of controversial themes these writers tackled from 1960s nostalgia to feminism and the redefinition of masculinity to sexual liberation and rock n' roll. Other essays address New Journalism, the rise of blockbuster culture, memoir and self-help and crime fiction, all demonstrating that the Me Decade was nothing short of mesmerizing.
