The Third Coast When Chicago Built The American Dream:

The Third Coast Thomas L. Dyja, 2014-03-25 Winner of the Chicago Tribune's 2013 Heartland Prize A critically acclaimed history of Chicago at mid century featuring many of the incredible personalities that shaped American culture Before air travel overtook trains nearly every coast to coast journey included a stop in Chicago and this flow of people and commodities made it the crucible for American culture and innovation In luminous prose Chicago native Thomas Dyja re creates the story of the city in its postwar prime and explains its profound impact on modern America from Chess Records to Playboy McDonald's to the University of Chicago Populated with an incredible cast of characters including Mahalia Jackson Muddy Waters Howlin Wolf Chuck Berry Sun Ra Simone de Beauvoir Nelson Algren Gwendolyn Brooks Studs Turkel and Mayor Richard J Daley *The Third Coast* recalls the prominence of the Windy City in all its grandeur [Walking Chicago's Coast](#) Michael McColly, 2025-09-15 Blending travelogue memoir and environmental reportage *Walking Chicago's Coast* takes readers on an urban journey Michael McColly begins his walk at his far North Side Chicago apartment and proceeds for two long days along the shore of Lake Michigan to the Indiana Dunes National Park As he walks McColly reflects on the layers of history the constructed magnificence and the troubling divides in this polyglot mecca of the Midwest From its descriptions of grand parks and architecture to packed sandy beaches to polluted neighborhoods called sacrifice zones along industrial waterways and rivers *Walking Chicago's Coast* shows how such urban hiking lets one contemplate a city's grandeur and history confront environmental and social realities and trigger emotions and memories Through Superfund sites brownfields scrapyards and industrial ruins McColly discovers the remarkable patterns of urban nature and the surprising beauty along his path **Modern in the Middle** Susan Benjamin, Michelangelo Sabatino, 2020-09-01 The first survey of the classic twentieth century houses that defined American Midwestern modernism Famed as the birthplace of that icon of twentieth century architecture the skyscraper Chicago also cultivated a more humble but no less consequential form of modernism the private residence *Modern in the Middle Chicago Houses 1929-75* explores the substantial yet overlooked role that Chicago and its suburbs played in the development of the modern single family house in the twentieth century In a city often associated with the outsize reputations of Frank Lloyd Wright and Ludwig Mies van der Rohe the examples discussed in this generously illustrated book expand and enrich the story of the region's built environment Authors Susan Benjamin and Michelangelo Sabatino survey dozens of influential houses by architects whose contributions are ripe for reappraisal such as Paul Schweikher Harry Weese Keck Keck and William Pereira From the bold early example of the Battledock House by Henry Dubin 1930 to John Vinci and Lawrence Kenny's gem the Freeark House 1975 the generation spanning residences discussed here reveal how these architects contended with climate and natural setting while negotiating the dominant influences of Wright and Mies They also reveal how residential clients typically middle class professionals progressive in their thinking helped to trailblaze modern architecture in America Though reflecting different approaches to site space structure and

materials the examples in *Modern in the Middle* reveal an abundance of astonishing houses that have never been collected into one study until now

A Pure Solar World Paul Youngquist, 2016-10-25 Youngquist brings considerable skills to the life and work of the legendary but underappreciated and often misunderstood composer keyboardist and poet PopMatters Sun Ra said he came from Saturn Known on earth for his inventive music and extravagant stage shows he pioneered free form improvisation in an ensemble setting with the devoted band he called the Arkestra Sun Ra took jazz from the inner city to outer space infusing traditional swing with far out harmonies rhythms and sounds Described as the father of Afrofuturism Sun Ra created space music as a means of building a better future for American blacks here on earth In *A Pure Solar World* Sun Ra and the Birth of Afrofuturism Paul Youngquist explores and assesses Sun Ra's wide ranging creative output music public preaching graphic design film and stage performance and poetry and connects his diverse undertakings to the culture and politics of his times including the space race the rise of technocracy the civil rights movement and even space age bachelor pad music By thoroughly examining the astro black mythology that Sun Ra espoused Youngquist masterfully demonstrates that he offered both a holistic response to a planet desperately in need of new visions and vibrations and a new kind of political activism that used popular culture to advance social change In a nation obsessed with space and confused about race Sun Ra aimed not just at assimilation for the socially disfranchised but even more at a wholesale transformation of American society and a more creative egalitarian world A welcome invitation to the spaceways Jazzwise

Saul Alinsky and the Dilemmas of Race Mark Santow, 2023-09-15 A groundbreaking examination of Saul Alinsky's organizing work as it relates to race Saul Alinsky is the most famous even infamous community organizer in American history Almost single handedly he invented a new political form community federations which used the power of a neighborhood's residents to define and fight for their own interests Across a long and controversial career spanning more than three decades Alinsky and his Industrial Areas Foundation organized Eastern European meatpackers in Chicago Kansas City Buffalo and St Paul Mexican Americans in California and Arizona white middle class homeowners on the edge of Chicago's South Side black ghetto and African Americans in Rochester Buffalo Chicago and other cities Mark Santow focuses on Alinsky's attempts to grapple with the biggest moral dilemma of his age race As Santow shows Alinsky was one of the few activists of the period to take on issues of race on paper and in the streets on both sides of the color line in the halls of power and at the grassroots in Chicago and in Washington DC Alinsky's ideas actions and organizations thus provide us with a unique and comprehensive viewpoint on the politics of race poverty and social geography in the United States in the decades after World War II Through Alinsky's organizing and writing we can see how the metropolitan color line was constructed contested and maintained on the street at the national level and among white and black alike In doing so Santow offers new insight into an epochal figure and the society he worked to change

Sea Narratives: Cultural Responses to the Sea, 1600-Present Charlotte Mathieson, 2016-06-07 *Sea Narratives Cultural Responses to the Sea 1600 Present* explores the relationship between the sea

and culture from the early modern period to the present The collection uses the concept of the sea narrative as a lens through which to consider the multiple ways in which the sea has shaped challenged and expanded modes of cultural representation to produce varied contested and provocative chronicles of the sea across a variety of cultural forms within diverse socio cultural moments Sea Narratives provides a unique perspective on the relationship between the sea and cultural production it reveals the sea to be more than simply a source of creative inspiration instead showing how the sea has had a demonstrable effect on new modes and forms of narration across the cultural sphere and in turn how these forms have been essential in shaping socio cultural understandings of the sea The result is an incisive exploration of the sea s force as a cultural presence

Chicago Whet Moser, 2018-10-15 Chicago has been called the most American of cities and the great American city Not the biggest or the most powerful nor the richest prettiest or best but the most American How did it become that And what does it even mean At its heart Chicago is America s great hub And in this book Chicago magazine editor and longtime Chicagoan Whet Moser draws on Chicago s social urban cultural and often scandalous history to reveal how the city of stinky onions grew into the great American metropolis it is today Chicago began as a trading post which grew into a market for goods from the west sprouting the still largest rail hub in America As people began to trade virtual representations of those goods futures the city became a hub of finance and law And as academics studied the city s growth and its economy it became a hub of intellect where the University of Chicago s pioneering sociologists shaped how cities at home and abroad understood themselves Looking inward Moser explores how Chicago thinks of itself too tracing the development of and current changes in its neighborhoods From Boystown to Chinatown Edgewater to Englewood the Ukrainian Village to Little Village Chicago is famous for them and infamous for the segregation between them With insight sure to enlighten both residents and anyone lucky enough to visit the City of Big Shoulders Moser offers an informed local s perspective on everything from Chicago s enduring paradoxes to tips on its most interesting sights and best eats An affectionate beautifully illustrated urban portrait his book takes us from the very beginnings of Chicago as an idea a vision in the minds of the region s first explorers to the global city it has become

Historicizing the Pan-American Games Bruce Kidd, Cesar Torres, 2018-04-19 The Pan American Games begun officially in 1951 in Buenos Aires and held in every region of the western hemisphere have become one of the largest multi sport games in the world 6 132 athletes from 41 countries competed in 48 sports in the 2015 Games in Toronto Canada The Games are simultaneously an avenue for the spread of the Olympic Movement across the Americas a stage for competing ideologies of Pan American unity and an occasion for host city infrastructural stimulus and economic development And yet until this volume the Games have never been studied as a single entity from a scholarly viewpoint Historicizing the Pan American Games presents 12 original articles on the Games Topics range from the origins of the Games in the period between the world wars to their urban hemispheric and cultural legacies to the policy implications of specific Games for international sport The entire collection is set against the shifting economic

social political cultural sporting and artistic contexts of the turbulent western hemisphere Historicizing the Pan American Games makes a significant contribution to the literature on major games Olympic sport and sport in the western hemisphere This book was previously published as a special issue of The International Journal of the History of Sport **Modern American Poetry and the Architectural Imagination** Jo Gill,2023 Modern American Poetry and the Architectural Imagination The Harmony of Forms assesses the relationship between architectural and poetic innovation in the United States across the twentieth century Taking the work of five key poets as case studies and drawing on the work of a rich range of other writers architects artists and commentators this study proposes that by examining the sustained and productive if hitherto overlooked engagement between the two disciplines we enrich our understanding of the complexity and interrelationship of both The book begins by tracing the rise of what was conceived of as modern and often international style architecture and by showing how poetry and architecture in the early decades of the century developed in dialogue and within a shared and often transnational context It then moves on to examine the material aesthetic and social conditions that helped shape both disciplines offering new readings of familiar poems and bringing other pertinent resources to light It considers the uses to which poets of the period put the insights of architecture and vice versa In closing Gill turns to modern and contemporary architects written accounts of their own practice in memoirs and other commentaries and examines how they have assimilated or resisted the practice and vision of poetry **Move On Up** Aaron Cohen,2019-09-25 A Chicago Tribune Book of 2019 Notable Chicago Reads A Booklist Top 10 Arts Book of 2019 A No Depression Top Music Book of 2019 Curtis Mayfield The Chi Lites Chaka Khan Chicago s place in the history of soul music is rock solid But for Chicagoans soul music in its heyday from the 1960s to the 1980s was more than just a series of hits it was a marker and a source of black empowerment In Move On Up Aaron Cohen tells the remarkable story of the explosion of soul music in Chicago Together soul music and black owned businesses thrived Record producers and song writers broadcast optimism for black America s future through their sophisticated jazz inspired productions for the Dells and many others Curtis Mayfield boldly sang of uplift with unmistakable grooves like We re a Winner and I Plan to Stay a Believer Musicians like Phil Cohran and the Pharaohs used their music to voice Afrocentric philosophies that challenged racism and segregation while Maurice White of Earth Wind and Fire and Chaka Khan created music that inspired black consciousness Soul music also accompanied the rise of African American advertisers and the campaign of Chicago s first black mayor Harold Washington in 1983 This empowerment was set in stark relief by the social unrest roiling in Chicago and across the nation as Chicago s homegrown record labels produced rising stars singing songs of progress and freedom Chicago s black middle class faced limited economic opportunities and deep seated segregation all against a backdrop of nationwide deindustrialization Drawing on more than one hundred interviews and a music critic s passion for the unmistakable Chicago soul sound Cohen shows us how soul music became the voice of inspiration and change for a city in turmoil **Chicago** Frederik Byrn Køhlert,2021-09-23 Chicago

occupies a central position in both the geography and literary history of the United States From its founding in 1833 through to its modern incarnation the city has served as both a thoroughfare for the nation's goods and a crossroads for its cultural energies The idea of Chicago as a crossroads of modern America is what guides this literary history which traces how writers have responded to a rapidly changing urban environment and labored to make sense of its place in and implications for the larger whole In writing that engages with the world's first skyscrapers and elevated railroads extreme economic and racial inequality a growing middle class ethnic and multiethnic neighborhoods the Great Migration of African Americans and the city's contemporary incarnation as a cosmopolitan urban center Chicago has been home to a diverse literature that has both captured and guided the themes of modern America *Chicago Católico* Deborah E. Kanter, 2020-02-10

Today over one hundred Chicago area Catholic churches offer Spanish language mass to congregants How did the city's Mexican population contained in just two parishes prior to 1960 come to reshape dozens of parishes and neighborhoods Deborah E Kanter tells the story of neighborhood change and rebirth in Chicago's Mexican American communities She unveils a vibrant history of Mexican American and Mexican immigrant relations as remembered by laity and clergy schoolchildren and their female religious teachers parish athletes and coaches European American neighbors and from the immigrant women who organized as guadalupanas and their husbands who took part in the Holy Name Society Kanter shows how the newly arrived mixed memories of home into learning the ways of Chicago to create new identities In an ever evolving city Mexican immigrants and Mexican Americans fierce devotion to their churches transformed neighborhoods such as Pilsen The first ever study of Mexican descent Catholicism in the city *Chicago Cat lico* illuminates a previously unexplored facet of the urban past and provides present day lessons for American communities undergoing ethnic integration and succession **Guide to**

A fascinating history of Chicago's innovative and invaluable contributions to American literature and art from the late nineteenth to the mid twentieth century This remarkable cultural history celebrates the great Midwestern city of Chicago for its centrality to the modernist movement Author Liesl

Olson traces Chicago's cultural development from the 1893 World's Fair through mid century illuminating how Chicago writers revolutionized literary forms during the first half of the twentieth century a period of sweeping aesthetic transformations all over the world From Harriet Monroe Carl Sandburg and Ernest Hemingway to Richard Wright and Gwendolyn Brooks Olson's enthralling study bridges the gap between two distinct and equally vital Chicago based artistic renaissance moments the primarily white renaissance of the early teens and the creative ferment of Bronzeville Stories of the famous and iconoclastic are interwoven with accounts of lesser known yet influential figures in Chicago many of whom were women Olson argues for the importance of Chicago's editors bookstore owners tastemakers and ordinary citizens who helped nurture Chicago's unique culture of artistic experimentation Cover art by Lincoln Schatz Chicago by the Book The Caxton Club, 2018-11-20 Despite its rough and tumble image Chicago has long been identified as a city where books take center stage In fact a volume by A J Liebling gave the Second City its nickname Upton Sinclair's *The Jungle* arose from the midwestern capital's most infamous industry The great Chicago Fire led to the founding of the Chicago Public Library The city has fostered writers such as Nelson Algren Saul Bellow and Gwendolyn Brooks Chicago's literary magazines *The Little Review* and *Poetry* introduced the world to Eliot Hemingway Joyce and Pound The city's robust commercial printing industry supported a flourishing culture of the book With this beautifully produced collection Chicago's rich literary tradition finally gets its due *Chicago by the Book* profiles 101 landmark publications about Chicago from the past 170 years that have helped define the city and its image Each title carefully selected by the Caxton Club a venerable Chicago bibliophilic organization is the focus of an illustrated essay by a leading scholar writer or bibliophile Arranged chronologically to show the history of both the city and its books the essays can be read in order from Mrs John H Kinzie's 1844 Narrative of the Massacre of Chicago to Sara Paretsky's 2015 crime novel *Brush Back* Or one can dip in and out savoring reflections on the arts sports crime race relations urban planning politics and even Mrs O Leary's legendary cow The selections do not shy from the underside of the city recognizing that its grit and graft have as much a place in the written imagination as soaring odes and boosterism As Neil Harris observes in his introduction Even when Chicagoans celebrate their hearth and home they do so while acknowledging deep seated flaws At the same time this collection heartily reminds us all of what makes Chicago as Norman Mailer called it the great American city With essays from among others Ira Berkow Thomas Dyja Ann Durkin Keating Alex Kotlowitz Toni Preckwinkle Frank Rich Don Share Carl Smith Regina Taylor Garry Wills and William Julius Wilson and featuring works by Saul Bellow Gwendolyn Brooks Sandra Cisneros Clarence Darrow Erik Larson David Mamet Studs Terkel Ida B Wells Barnett Frank Lloyd Wright and many more City of Lake and Prairie Kathleen A. Brosnan, Ann Durkin Keating, William C. Barnett, 2020-09-08 Known as the Windy City and the Hog Butcher to the World Chicago has earned a more apt sobriquet City of Lake and Prairie with this compelling innovative and deeply researched environmental history Sitting at the southwestern tip of Lake Michigan one of the largest freshwater bodies in the world and on the eastern edge of

the tallgrass prairies that fill much of the North American interior early residents in the land that Chicago now occupies enjoyed natural advantages economic opportunities and global connections over centuries from the Native Americans who first inhabited the region to the urban dwellers who built a metropolis in the nineteenth and twentieth centuries As one millennium ended and a new one began these same features sparked a distinctive Midwestern environmentalism aimed at preserving local ecosystems Drawing on its contributors interdisciplinary talents this volume reveals a rich but often troubled landscape shaped by communities of color workers and activists as well as complex human relations with industry waterways animals and disease
