Historical Dictionary of German Cinema Robert C. Reimer, Carol J. Reimer, 2019-07-15 The History of German film is diverse and multi-faceted This volume can only suggest the richness of a film tradition that includes five distinct German governments Wilhelmine Germany the Weimar Republic the Third Reich the Federal Republic of Germany West Germany and the German Democratic Republic East Germany's as well as a reunited Germany two national industries Germany and Austria and a myriad of styles and production methods Paradoxically the political disruptions that have produced these distinct film eras as well as and the natural inclination of artists to rebel and create new styles allow for construction of a narrative of German film Disjuncture generates distinct points of separation and yet also highlights

continuities between the ruptures This second edition of Historical Dictionary of German Cinema contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 200 cross referenced entries on directors actors films cinematographers composers producers and major historical events that greatly affected the direction and development of German cinema This book is an excellent resource for students researchers and anyone wanting to know more about German cinema

Understanding and Teaching the Holocaust Laura Hilton, Avinoam Patt, 2020-07-21 Few topics in modern history draw the attention that the Holocaust does The Shoah has become synonymous with unspeakable atrocity and unbearable suffering Yet it has also been used to teach tolerance empathy resistance and hope Understanding and Teaching the Holocaust provides a starting point for teachers in many disciplines to illuminate this crucial event in world history for students Using a vast array of source materials from literature and film to survivor testimonies and interviews the contributors demonstrate how to guide students through these sensitive and painful subjects within their specific historical and social contexts Each chapter provides pedagogical case studies for teaching content such as antisemitism resistance and rescue and the postwar lives of displaced persons It will transform how students learn about the Holocaust and the circumstances surrounding it

A Concise History of the Third Reich Wolfgang Benz, 2007-12-17 This is an authoritative history of the twelve years of the Third Reich from its political takeover of January 30 1939 to the German capitulation in May 1945

The 1972 Munich Olympics and the Making of Modern Germany Kay Schiller, Chris Young, 2010-08-03 The 1972 Munich Olympics remembered almost exclusively for the devastating terrorist attack on the Israeli team were intended to showcase the New Germany and replace lingering memories of the Third Reich That hope was all but obliterated in the early hours of September 5 when gun wielding Palestinians murdered 11 members of the Israeli team In the first cultural and political history of the Munich Olympics Kay Schiller and Christopher Young set these Games into both the context of 1972 and the history of the modern Olympiad Delving into newly available documents Schiller and Young chronicle the impact of the Munich Games on West German society
