The Thoughts of The Emperor Marcus Aurelius Antoninus is a series of personal writings by Marcus Aurelius Roman Emperor from 161 to 180 AD recording his private notes to himself and ideas on Stoic philosophy Marcus Aurelius wrote the 12 books of the Meditations in Koine Greek 1 as a source for his own guidance and self improvement 2 It is possible that large portions of the work were written at Sirmium where he spent much time planning military campaigns from 170 to 180 Some of it was written while he was positioned at Aquincum on campaign in Pannonia because internal notes tell us that the first book was written when he was campaigning against the Quadi on the river Granova modern day Hron and the second book was written at Carnuntum

Meditations literally thoughts writings addressed to himself is a series of personal writings by Marcus Aurelius Roman Emperor 161 180 CE setting forth his ideas on Stoic philosophy A central theme to Meditations is to analyze your judgement of self and others and developing a cosmic perspective As he said You have the power to strip away many superfluous troubles located wholly in your judgement and to possess a large room for yourself embracing in thought the whole cosmos to consider everlasting time to think of the rapid change in the parts of each thing of how short it is from birth until dissolution and how the void before birth and that after dissolution are equally infinite He advocates finding one s place in the universe and sees that everything came from nature and so everything shall return to it in due time It seems at some points in his work that we are all part of a greater construct thus taking a collectivist approach rather than having an individualist perspective Another strong theme is of maintaining focus and to be without distraction all the while maintaining strong ethical principles such as Being a good man His Stoic ideas often involve avoiding indulgence in sensory affections a skill which will free a man from the pains and pleasures of the material world He claims that the only way a man can be harmed by others is to allow his reaction to overpower him An order or logos permeates existence Rationality and clear mindedness allow one to live in harmony with the logos This allows one to rise above faulty perceptions of good and bad      **The Thoughts of Marcus Aurelius Antoninus** Marcus Aurelius (Emperor of Rome),1903      **The Thoughts of the Emperor Marcus Aurelius Antoninus** Marcus Aurelius,2008-02      *The Meditations of the Emperor Marcus Aurelius Antoninus* Marcus Aurelius,Marcus,2008-11
