The Evangelical repository. Vol. 1- new ,1866 *Little Book Open - Securing a Narrow Clear Passage to the Future* David Butterworth,2012-12-01 This book is both a blessing and a curse It's a blessing to those who are honest and want to live decent lives It's a curse to the swindler the liar and the thief In this book the truth is told about whom we are and what we can become For this is a little book of open revelations how the world was made how life started and who we are as a people There's a separation coming to some a new beginning to others a dead ending The seven angels are now ready to blow their trumpets Are you ready Are you really If you have any doubts get this book This book may be your saving grace Instead allow this book to be your guide into a wonderful new future See a new future with affordable energy a free economy and a new distribution of wealth the year of the Jubilee It is my attempt to understand life and the universe to see the truth without religion traditions or elitist intellectuals getting in the way It contains a new view of the science of subspace singularities

The Works of J. G. Pike, of Derby. With a Biographical Sketch John Gregory PIKE,1862 The Book of Psalms David Thomas,1882 **The Antichrist: Studies on the End Times** A.W Pink,Rev Terry Kulakowski, Editor,2017-10-20 The contents of this book were first given out by the author at Bible Conferences and then appeared in their present form in Studies in the Scriptures 1 As the subject of them is of such importance to students of prophecy and as so little has been published thereon we have deemed it advisable to issue them complete in book form So far as the writer is aware only two or three comparatively brief booklets and essays have appeared on this particular theme though to their contents we are indebted for a number of helpful suggestions Our aim has been to present as comprehensive an outline as our space would allow Much of what we have advanced will no doubt be new to the great majority of our readers Frequently we have been obliged to deviate from the interpretations of those who have gone before us Nevertheless we have sought to give clear proof texts for everything advanced
