The Trial Of Ubu Modern Plays:

The Trial of Ubu Simon Stephens, 2012-01-01 In *The Trial of Ubu* Simon Stephens takes the grotesque and amoral megalomaniac dictator from Alfred Jarry's proto surrealist 1896 play *Ubu Roi* and places him before a twenty first century international tribunal Set in January 2010 at the International Criminal Tribunal sitting in The Hague it is day 436 of the trial of the dictator Ubu Sitting before a UN constituted International Tribunal he is charged with Crimes against Humanity and other serious violations of international humanitarian law Simon Stephens virtuosic satire examines the often absurd legal wrangling of the international justice system *The Trial of Ubu* is a savage comedy that interrogates the assumptions of a Court as it struggles to deal with defendants who are not only opposed to the morality of law but exist in a different moral dimension altogether Exploring the central legitimacy and effectiveness of international law Stephens asks how a civilised society can deal with the perpetrators of unspeakable crime and wherein lies the legitimacy of any internationally convened tribunal Taking a wry and intelligent look at the international courts when reduced to senseless and convoluted legal altercations this funny yet unsettling play asks important questions about legal against moral justice and the futility of reasoned argument in the presence of a heinous malefactor *Contemporary European Playwrights* Maria M.

Delgado, Bryce Lease, Dan Rebellato, 2020-07-22 *Contemporary European Playwrights* presents and discusses a range of key writers that have radically reshaped European theatre by finding new ways to express the changing nature of the continent's society and culture and whose work is still in dialogue with Europe today Traversing borders and languages this volume offers a fresh approach to analyzing plays in production by some of the most widely performed European playwrights assessing how their work has revealed new meanings and theatrical possibilities as they move across the continent building an unprecedented picture of the contemporary European repertoire With chapters by leading scholars and contributions by the writers themselves the chapters bring playwrights together to examine their work as part of a network and genealogy of writing examining how these plays embody and interrogate the nature of contemporary Europe Written for students and scholars of European theatre and playwriting this book will leave the reader with an understanding of the shifting relationships between the subsidized and commercial the alternative and the mainstream stage and political stakes of playmaking in European theatre since 1989 *The Theatre of Simon Stephens* Jacqueline Bolton, 2021-06-17 Simon

Stephens is one of Europe's pre eminent living playwrights Since the beginning of his career in 1998 Stephens's award winning plays have been translated into over twenty languages been produced on four continents and continue to feature prominently in the repertoires of European theatre His original works have garnered numerous awards with his stage adaptation of Mark Haddon's novel *The Curious Incident of the Dog in the Night Time* winning seven Olivier Awards and enjoying acclaim on Broadway In the first book to provide a critical account of Stephens's work Jacqueline Bolton draws upon the playwright's unpublished personal archives as well as original interviews with directors and actors to advance detailed

analyses of his original plays and their productions examine contemporary approaches to playwriting and deliver insights into broader debates regarding text performance and authorship Caridad Svich addresses Stephens's theatrical output between 2014 and 2019 and essays from Mireia Aragay and James Hudson provide additional perspectives on international productions and the playwright's adaptive practices Andrew Haydon's edited interviews with six of Stephens's key collaborators Marianne Elliott Sarah Frankcom Sean Holmes Ramin Gray Katie Mitchell and Carrie Cracknell further illuminate the work from a director's viewpoint The Theatre of Simon Stephens situates the playwright's oeuvre within his embrace of aesthetics and working relations encountered in European theatre cultures focusing in particular upon shifting attitudes towards the function of the playwright the relationship between playwrights and directors and the role of the audience in live performance The Companion serves as a lively and engaging study of one of the most restlessly creative and important dramatists of our generation

Modern Czech Theatre Jarka Burian, 2002-04-25 The story of Czech theatre in the twentieth century involves generations of mesmerizing players and memorable productions Beyond these artistic considerations however lies a larger story a theatre that has resonated with the intense concerns of its audiences acquires a significance and a force beyond anything created by striking individual talents or random stage hits Amid the variety of performances during the past hundred years that basic and provocative reality has been repeatedly demonstrated as Jarka Burian reveals in his extraordinary history of the dramatic world of Czech theatre Following a brief historical background Burian provides a

chronological series of perspectives and observations on the evolving nature of Czech theatre productions during this century in relation to their similarly evolving social and political contexts Once Czechoslovak independence was achieved in 1918 a repeated interplay of theatre with political realities became the norm sometimes stifling the creative urge but often producing even greater artistry When playwright Vclav Havel became president in 1990 this was but the latest and most celebrated example of the vital engagement between stage and society that has been a repeated condition of Czech theatre for the past two hundred years In Jarka Burian s skillful hands Modern Czech Theatre becomes an extremely important touchstone for understanding the history of modern theatre within western culture
