The Truth About Addiction And Recovery:

Truth About Addiction and Recovery Stanton Peele, Archie Brodsky, Mary Arnold, 1992-03-15 In this revolutionary analysis of addiction Peele and Brodsky draw on years of research to refute the contention that addictions are biologically based diseases that last a lifetime Examining addiction within the context of people s lives they show that addictive behavior is a way of coping with situational stress and that it can be overcome without medical treatment or 12 step groups **AA Not the Only Way** Melanie Solomon, 2008 A discussion of alternative resources for addiction treatment including a comprehensive directory of licensed professionals and treatment programs **Powerless?** Dawn M. Johnson, Richard H. Johnson, 2018-11-07 You are not powerless over your addictions but you have been told you are It s not true YOU ARE NOT POWERLESS This book offers hope and help for addicts and their families It unveils the truth about traditional recovery methods and introduces an empowering new 21st century approach the My Recovery Community Traditional recovery does not work Only 5 10% of people who seek help with their addictions achieve successful long term sobriety The reason Traditional recovery programs do not address the root emotional cause of addictive behavior quite possibly because they don t know what it is If they did no doubt they would have addressed it long ago and recovery rates would be considerably higher than they are This book uncovers the hidden emotional root of addiction and proposes a new approach to beat it While we focus on substance abuse in the narrative people wrestling with other addictive behaviors will also find help in these pages This book is not just for addicts it is also for the families and friends of addicts All need hope and healing No one recovers alone Once an addict always an addict Not so permanent healing and freedom is possible YOU ARE NOT POWERLESS

Join the Voices for Recovery, 2009 Includes samples of press releases public service announcements promotional event ideas logos and fact sheets designed to help organizations start up a drug treatment and prevention program in their community as part of National Alcohol Drug Addiction Recovery Month 2009 Also includes community outreach and resource materials **Searching for the Truth About Drugs** Marty Gruber, Jack Donaldson, 2012-06-27 If you have ever wondered what it would be like to travel the road that a drug addict has chosen sit back and read about the road into living hell and back Marty Gruber abused drugs for 45 years and he attempted suicide immediately before he found the door of escape from drug abuse and the key to a meaningful life With the aid of Providence Marty found long term meaning and in the process he has been given the privilege of warning teens about the trap of drug abuse Research performed in 2010 shows that 48 2 percent of Americas high school seniors have tried illicit drugs In 2011 the National Institute on Drug Abuse NIDA reported that drug abuse cost the United States six hundred and nine billion dollars 609 000 000 000 is not a typo Most drug addicts die from their addiction because becoming drug free requires help and many never find that help Research shows that for each dollar invested in drug abuse prevention a savings of up to ten dollars in rehabilitation treatment can be achieved A teenager cant see as far down the road as a seventy five year old man who has already been down that road to just short of

its logical enddeath In Martys case this was attempted suicide Marty has returned to warn others not to take the road leading to drug abuse *The Freedom Model for Addictions* Steven Slate ,Mark W. Scheeren,Michelle L. Dunbar,2017-11-20

What if the Higher Power you tentatively acknowledged in recovery has been orchestrating your healing all along What if the spiritual principles that saved your life aren t just human wisdom but reflections of eternal truths spoken by the very source of life itself In this groundbreaking exploration a voice from the trenches of addiction recovery reveals the stunning connections between Jesus seven I AM declarations and the spiritual awakening that transforms lives daily in recovery communities across the world Born not in seminary classrooms but in the desperate search for truth that began in addiction s darkest valleys this book bridges the gap between the recovery community and the church with profound insight in unflinching honesty From the Bread of Life that satisfies spiritual hunger no substance could fill to the True Vine that produces the authentic fruitfulness recovery promises each I AM statement addresses a specific aspect of addiction and recovery with startling clarity Discover how The Light of the World penetrates the darkness of denial deception The Good Shepherd provides the sacrificial care that broken hearts desperately need The Gate offers both access to abundant life and protection from forces that would destroy recovery The Resurrection and the Life provides hope for complete restoration When addiction has caused devastation that seems irreparable Written for anyone who has experienced addiction s destruction whether personally or through a loved one this book demonstrates that your recovery story is actually a subplot in God s much larger narrative of redemption The same Jesus who spoke these profound truths 2000 years ago remains the living answer to every need that addiction creates This isn t theology dressed up

in recovery language or recovery principles forced into religious molds This is the recognition that the deepest human struggles with powerlessness spiritual hunger moral confusion and existential emptiness find their ultimate solution in the One who declares I AM so that broken people can confidently declare WE ARE redeemed restored and renewed For those still struggling discover that your rock bottom can become His solid foundation For those in recovery there s more much more For families and loved ones find hope that no addiction is too severe for resurrection power For those in ministry meet your mission field in the rooms where miracles happen daily The mathematics of addiction never made sense but the mathematics of grace are equally counterintuitive less equals more weakness equals strength surrender equals victory death equals life This is more than a book it s an invitation to discover that the Higher Power who saved you from active addiction wants to save you for active discipleship Your recovery story is actually a love story and the love interest has a name From powerlessness to purpose from spiritual death to abundant life from the great I am not to the grateful we are this journey reveals that recovery isn t just about getting sober It s about getting saved staying saved and helping others find the same salvation you ve found This book will change how you understand both recovery and faith It s essential reading for anyone who believes that grace and spiritual awakening aren t just compatible they are inseparable *101 Tips for Recovering from Addictions* Richard A.
