The Truth About Grace:

The Truth About Grace Vinson Synan, 2018-04-03 Often the modern grace message gives people a license to disregard the clear moral teachings of Jesus and the apostles Churches around the globe teach a lawless grace and direct many to make choices of convenience and compromise Consequently Christianity loses public credibility as so called leaders of faith fall into adultery child abuse alcoholism financial corruption and many other sins This is the great crisis of the twenty first century church and respected theologian Vinson Synan says it s time to bring it to light Featuring perspectives of leaders from a range of cultural pastoral and theological backgrounds The Truth About Grace opens the discussion to more than a dozen scholarly contributors tackling topics such as grace and the security of the believer grace versus works and tongues as a manifestation of grace Synan brings you the key voices on this hot topic from hyper grace critic Michael Brown to Singaporean pastor Joseph Prince whom some consider a leading voice in the hyper grace movement The Truth About Grace will help you discern the unbiblical excesses in the modern grace message while growing in understanding of the true nature and purpose of grace The Truth about Grace Charles Cyrus Cook, 1908 The Truth as it is in Jesus Charles

The words of this book are based upon Christ's declaration I am the way the truth and the life St John 14:6 This Holy Ghost inspired book will have every reader reexamining their faith in Christ their walk in God and even the way they currently display God's Agape love in this world I am come unto you as a friend and truly I write unto you in much fear and trembling in the Holy Ghost I come not in mine own name but in the name of him who has sent me to testify unto the truth and in him is no lie even he which is Jesus Christ our Lord Now there is utterly a fault in the church from the least to the greatest those who preach haven't been sent to preach and those who teach have not the anointing and those who prophesy unto you have prophesied a lie because they have altogether deceived the people and because of your carrying away you shall be one with their damnation While reading this book you shall learn the truth of your God and Creator and of his Son Jesus Christ You shall learn how to identify the voice of God in your hearing and how he speaks to you You will learn how and why the Lord God is so attached to man and why he loves man so much You will learn why you must be born again moreover you will discover what it is you need to do what's your part in the kingdom of God to truly be a light to others in this world You will discover the reason why both faith and love are the keys to life in the kingdom of God and the role they play in salvation You will learn how to properly utilize and deploy your faith in a powerful new way And even though you might know the basics of faith today you will learn why its works have been a great mystery to the church Today we will unlock this mystery together and you will find that you now not only can please God but that you will also learn how easy it is for you to do his will and overcome all things by faith You will also learn who your heavenly Father really is as you come to realize that he has been waiting a long time to meet you Above all else you will learn the reasons why the miracles spoken of in St Mark 16:16-18 are not occurring in the church today and why the ministers and preachers of our day have not been bringing forth the word with signs following as had the apostles You will be taught many things that you may have never been taught in the church or have been taught improperly such as the Constancy the Fidelity and the Faithfulness of God in the reality of himself You will learn not only what these words mean but you will learn how to apply them to your life as you grow in Christ Little children I am only asking of you is to listen to his voice today This book is a book of instructions given in hopes of making YOU ALL true Disciples of Christ My one and only prayer for you all is that you don't miss out on the opportunity to learn the truth about your heavenly Father so that you do not go The Impossible Way
