The textbook continues with the perspective of organizations not individuals and clarifies the impact of social media on their different departments or disciplines while also exploring how organizations use social media to create business value. To do so, the book pursues a uniquely multi-disciplinary approach by embracing IT, marketing, HR, and many other fields. While the first edition was inspired by the rise of social media tools, the second edition is characterized by a digital economy with increasing digitalization efforts due to newly emerging technologies in Industry 4.0 and the COVID-19 pandemic. Readers will benefit from a comprehensive selection of extended topics including strategies and business models for social media influencer marketing, viral campaigns, social CRM, employer branding, recruitment, search engine optimization, social mining, sentiment analysis, crowdfunding, and legal and ethical issues. Each chapter starts with one or more teaser questions to arouse the readers' interest, which will be clarified per topic. The second edition also provides ample self-test materials and reflection exercises WordPress 3 Search Engine Optimization Michael David, 2011-04-26 Optimize your website for popularity with search engines
