It is a companion to Prue Goodwin's *The Literate Classroom* and *The Articulate Classroom* and aims to augment our existing knowledge about the teaching and learning of writing, stimulate thought and provoke discussion about writing, offer a blend of theory and practice, give food for thought and ideas for teaching writing to primary age children. The topic of writing is one which is under the spotlight with increasing regularity as politicians and policy makers move on from reading as an issue. This has already happened in England where the National Literacy Strategy is urging more emphasis on the teaching of writing to remedy weaknesses in this area. **Advertising Creative** Tom Altstiel, Jean Grow, Dan Augustine, Joanna L. Jenkins, 2022-04-18 *Advertising Creative* Sixth Edition gets right to the point of advertising by stressing key principles and practical information students and working professionals can use. Drawing on personal experience as award winning experts in creative advertising, this new edition offers real world insights on cutting edge topics including global social media, business to business in house and small agency advertising. In the new edition, authors Tom Altstiel, Jean Grow, Dan Augustine and Joanna Jenkins take a deeper dive into the exploration of digital technology and its implications for the industry as they expose the pervasive changes experienced across the global advertising landscape. Their most important revelation of all is the identification of the three qualities that will define the future leaders of this industry: Be a risk taker, Understand technology, Live for ideas. The latest edition addresses some of the key issues impacting our industry today such as diversity in the workplace, international advertising and design in the digital age. **Business to Brand** Fiona Killackey, 2024-09-03 *Business to Brand: Moving from Transaction to Transformation* is the definitive guide for all small business owners who want to create a brand, not just a business.
