## **The Ultimate Betrayal The Enabling Mother Incest And Sexual Abuse:**

**Ultimate Betrayal** Audrey Ricker, 2006-09-01 This pioneering self help book takes a close look at a topic that has been ignored or downplayed by other books on incest and childhood sexual abuse that the non-perpetrating parent usually bears a great deal of responsibility for the child's abuse. In this examination of the complicated dynamics of abuse the enabling mother is not treated as a victim rather as an adult responsible for her failure to protect her child. Self-help exercises are interspersed with case histories and analytical material throughout the book useful to both survivors and therapists.

**Adverse Childhood Experiences and Their Life-Long Impact** Ami Rokach, Shauna Clayton, 2023-08-08 Adverse Childhood Experiences and Their Life-Long Impact explores how these experiences influence cognitive, behavioral, and social experiences in adulthood. The book conceptualizes the types of violence, abuse, neglect, and/or trauma that factor into ACEs. It also explores the psychopathological outcomes of ACEs among children, including neurodevelopmental and psychosocial mechanisms. By drawing on cross-cultural perspectives, the authors provide insight into the variations between adversity and trauma children experience. Sections also cover preventive measures, risk factors, and various forms of interventional treatment, making this book a core read for psychologists, physicians, social workers, educators, and researchers in the field. Provides a comprehensive framework for understanding adverse childhood experiences. Reviews the link between ACE and homelessness, substance abuse, and physical and/or sexual violence in adulthood. Highlights key components of cross-cultural perceptions on child abuse and neglect, including differences of gender. Explores options for prevention and intervention for those who experience adverse childhood experiences.

*The Maternal Gaze in the Gothic* Sara Williams, 2025-01-27 This monograph is an original project which plots the trajectory of the maternal gaze as a convention in the Gothic. It offers new directions for Gothic studies by exposing and challenging a critical and cultural myopia towards the capabilities of maternal desire and, in doing so, engages with a range of texts from the Romantic to contemporary literary and visual cultures to locate a tyrannical maternal gaze in the genre. Compelling a seismic shift in the perception of the genre as the embodiment of patriarchy and the sexually violent male gaze, this is a new and unexplored area of both the Gothic and criticism of the genre, which has historically privileged the Oedipal paternal tyrant/female victim dynamic established in the Romantic Gothics of Walpole and Radcliffe. The monograph fills significant gaps in the Gothic academic publishing market. It is the first overview of the maternal gaze in the Gothic; it offers in-depth studies of previously neglected authors and their works and it fundamentally changes how we see the Gothic mother figure and child, both as a single entity and discrete tropes. *The Maternal Gaze in the Gothic* examines how articulations of maternal visual tyrannies in the Gothic, including kidnapping, incarcerating, gaslighting, hurting, and killing the child under the guises of protection, are ignored by both the Gothic critical heritage and also feminist gaze theory. This book is a must-read for those interested in the Gothic and Feminism alike.

Peters,1989-05 *Don't Tell Mummy* Toni Maguire,2008 This heart wrenching memoir from Toni Maguire tells the deeply moving story of an idyllic childhood that masked a terrible truth Underneath her mother s gentility and her father s roguish charm lay horrifying secrets which eventually led to their only child s near destruction The first time her father made an improper advance on Toni she was six years old Her father warned her not to tell her mother or anyone else because they would blame her and wouldn t love her any more It had to remain our secret When she finally built up the courage to tell her mother what had happened she was told never to speak of the matter again With no one to turn to isolated and alone in rural Ireland the abuse continued unhindered At fourteen Toni fell pregnant by her father and when her state was discovered she was made to have a late abortion which almost killed her The truth of her childhood could no longer be kept hidden but just as her father predicted Toni found herself judged and rejected by her family teachers and friends The blame and anger she was treated with only worsened when her father was sent to prison as a result of his actions This is the compelling story of her struggle to put the ghost of her childhood to rest and emerge ultimately triumphant **A Mother's Nightmare - Incest** John E. B. Myers,1997-05-31 Protecting children from child abuse using the legal system can be a complicated and sometimes devastating process for parents Suspecting sexual abuse a mother may seek a divorce and custody or if already divorced request withdrawal of visitation rights However when unable to prove abuse she may be labeled hysterical and jeopardize her case A Mother s Nightmare Incest assists professionals and parents in reducing the likelihood that the legal system will backfire Easy to read and including step by step strategies for success this manual answers myriad critical questions asked

by parents who encounter the possibility of incest such as What happens to a child who experiences abuse What do I do if the abuse cannot be established How do I find out what my legal options are What can I do to keep emotionally balanced What will happen in the court system While alerting readers to the very real dangers that await those who accuse a spouse of child sexual abuse author John E B Myers helps parents and professionals navigate the current court system to work toward attaining victory and safety He provides supportive and practical suggestions for documenting evidence and seeking an expert s advice Myers demystifies the subject of incest and explains the requirements of the court system so that mothers will enter the legal arena prepared This book is not only for mothers Health professionals psychologists psychiatrists social workers pastoral counselors and any other professional working to protect children from abuse will want to read and refer to A Mother s Nightmare Incest Likewise the book is also ideal for academics and students to use in courses that cover child abuse issues

**Living for Today** Erin Merryn,2009-11-02 SILENCE BROKEN AND STIGMAS SHATTERED HELP FOR INCEST SURVIVORS IS HERE Fans of Erin Merryn s heart wrenching debut memoir Stolen Innocence were left wondering what would become of an emotionally fragile Erin after her confrontation with the reality and repercussions of being a child of incest and molestation In Living for Today Erin chronicles how she cultivated the strength to face her abuser and eventually found relief from years of emotional restlessness while also igniting the beginnings of a new fearless journey Living for Today chronicles that journey which began with the unearthing of private shame releasing of ugly memories letting go of guilt and becoming the mouthpiece of millions of her generation In Living for Today anyone who has felt victimized ashamed isolated and silenced by their abusers will receive a roadmap for self discovery forgiveness and empowerment With real compassion and wisdom this book can help readers overcome trauma and live fully and fearlessly for today Cleaning Out the Family's Closet Delton Adams,2013-03 Secrets they exists for all of us It takes courage to face the raw truth a truth characterized by molestation incest physical abuse domestic violence denial fear shame and pain It takes God to help clean out a closet of that magnitude the family s closet Journey with author Delton Adams Sr as he recounts a horrific life story exposing his very dark and evil childhood from hell Death had viciously sprinted after me since age three when my female babysitter would oftentimes suffocate me with her extreme acts of sexual abuse At age seven my next babysitter made me think that I might bleed to death after repeatedly raping me in spite of him being my uncle And at the begging mercy of my father s Hitler like dictatorship parenting I was sure to die whenever he violently beat me upside down with that drop cord as if I were a disobedient slave child The sight of my own blood became commonplace between the trauma of my extreme physical abuse and rape sessions My mother was helpless because extreme domestic violence was a part of her daily survival Eventually in my adulthood I qualified for a desperately needed divine intervention plan to break a fifth generation curse which I chronicled back to the 1800s Loving women and being attracted to men simultaneously had destroyed my marriage and several times almost cost me my life due to self destructive behaviors My inner struggle for divine purpose became a

daily mental battle but God has assured me already that I m an overcomer This book tackles very complex and diverse social issues with real talk It is a personal testament of a man able to move beyond betrayal and mistrust that strongly influenced his perceptions and personal behavior for much of his life This book will help you to face your shame fears and pain courageously avoid the paths of self destruction and bring healing and deliverance to your broken heart and soul to move forward If it s time for a breakthrough in your life this is the book you must read The spirit of the Lord is upon me because he hath anointed me to preach the gospel to the poor he hath sent me to heal the brokenhearted to preach deliverance to the captives and recovering of the sight to the blind to set at liberty them that are bruised Luke 4 18      **No Right Way** Tracy Orr,1995      **Betrayal** Salman Akhtar,2018-05-01 Betrayal underlies all psychic trauma whether sexual abuse or profound neglect violence or treachery extramarital affair or embezzlement When we betray others we violate their confidence in us When others betray us they pierce the veil of our innocent reliance Betraying and feeling betrayed are ubiquitous to the scenarios of trauma and yet surprisingly neglected as a topic of specific attention by psychoanalysis This book fills this gap The first part deals with developmental aspects and notes that while the experience of betrayal might be ubiquitous in childhood its lack of recognition by the parents is what leads to fixation upon it Attention is also given to Oedipally indulged and seduced children who feel betrayed later in the course of their development Feelings of betrayal during early adolescence are also discussed This section of the book closes with an account of situations where our bodies betray us The realms of body image betrayal body self betrayal and the body s ultimate betrayal via physical death are addressed
